

## **RX REBATES**

### **QUESTION?**

*Why are rebates being offered through PBM's?*

### **ANSWER**

*End user is being grossly overcharged on GENERIC'S*

### **SOLUTION**

*Buy wholesale from the start, don't wait for the rebates to be offered*

### **EXAMPLE**

*ATORVASTAIN, is Lipitor's Generic.*

*Street Price \$46.00 per month*

*BCBS is \$25.00 Co-Pay*

*Costco \$17.00 per month*

*OUR RX is \$1.50 per month*

*We would be happy to do a comparison for the SJVIA. We will need 1 to 3 months of Drugs being used by Name, Dosage and current price being charged.*
