The chart above shows budgeted reserve buildup to realized buildup based on plan experience. Should the 2018 actual and 2019 budgeted reserve buildup be realized, the SJVIA would accumulate \$10,352,208 or 48.7% of the required funding (\$21,275,525).

Please note that this is the consultant's report and prior to allocating funds for IBNR, the stabilization reserve, and to provide loan repayment, the SJVIA Auditor should validate reserve accumulation and availability.

Reference Chart - The exhibit below is based on data through 2017 and will be updated at the close of the 2018 plan year.
