Vote YES on Measure _!

In 2008, Central Unified School District voters passed a general obligation bond to improve our communities' most important asset – our local public schools. Measure _ will let us continue the job of improving our children's schools by reauthorizing previously approved bonds without increasing the District's total authorized debt.

Measure _ will improve our local schools by:

- Repairing and modernizing aging schools throughout the District
- Building a new high school and elementary school
- Constructing permanent facilities at Tilley Elementary School
- Renovating classrooms and electrical systems at Madison, Roosevelt, McKinley and Herndon- Barstow Elementary Schools
- Repairing leaking pipes, deteriorating roofs and heating and air conditioning systems
- Upgrading fire alarm safety systems

Measure _ will protect taxpayers by:

- Not increasing the total amount of District debt
- Making our local school projects eligible for State matching funds
- Allowing money to be borrowed at much lower interest rates
- Requiring independent citizen oversight
- Prohibiting funds from going to administrators' salaries, pensions or benefits
- Imposing tough legal restrictions requiring all monies to be spent on our local schools
- Prohibiting the state from taking local bond money and spending it in other districts

Vote YES to build safer schools in order to improve student achievement.

Vote YES for increased property values and home prices by improving neighborhood schools.

Vote YES to protect taxpayers with independent financial audits.

Vote YES to turn out our well- educated, well- rounded leaders of tomorrow.

Please join our local business leaders, teachers, parents, grandparents and neighbors by voting YES on Measure _.

Say YES to Central schools. Please vote YES on Measure _.
