

Rebuttal Regarding Measure E

The Argument Against the City of Coalinga Measure E to Authorize Taxes on Commercial Marijuana Operations is, for the most part, not factual and strictly opinion. The Coalinga City Council took action to allow Medical Marijuana Commercial Cultivation and Manufacturing within the City. This measure has nothing to do with whether the citizens are for or against allowing medical marijuana commercial cultivation and manufacturing as it is already allowed by Ordinance. This measure simply addresses whether or not to tax the operations. If this measure does not pass, the businesses will continue to operate, but the City will not receive tax revenue from these operations. This tax revenue would be deposited into the General Fund which funds Police and Fire services as well as other city operations.
Vote YES.

The undersigned proponent(s) or author(s) of the rebuttal to the argument against ballot Measure E at the Presidential General Election for the City of Coalinga to be held on November 8, 2016 hereby state that this argument is true and correct to the best of their knowledge.
