

Rebuttal Regarding Measure G

The Argument Against the City of Coalinga Measure G to Authorize and Regulate a Single Marijuana Dispensary is, for the most part, not factual and strictly opinion. Marijuana for medical use was made legal in California, with the adoption of Proposition 215 in 1996. This measure would allow for one single dispensary within the City to dispense medical marijuana to patients with medical marijuana cards issued by the State of California through a licensed doctor. This measure relates only to medical use, not recreational use, as recreational use is not allowed in California. Additionally, the scare tactics used in the Argument against this measure in relation to the location of the dispensary are false. State law requires that dispensaries be at least 600 feet from schools, public or private. **Vote YES.**
