

Argument in Favor of YES on S (City of Sanger)

2016 AUG 22 PM 1:17:00

Are you concerned about gangs, drugs and 911? So are we! To maintain Sanger's public safety with NO increase in tax rate, vote YES on S!

YES on S is a win-win for our community. **Measure S** prevents cuts to our vital public safety services without increasing taxes. **YES on S** simply continues existing, voter-approved public safety funding. NO money can be taken by Sacramento politicians. By law, ALL funds can only be spent on our public safety and 911 services.

Drug trafficking and gang violence have skyrocketed in the Central Valley. With prisoners being released early, more and more gangs are coming into Sanger. We can't afford to allow Sanger to be overrun by gangs and drugs! We need **YES on S** to keep enough police officers on Sanger's streets and prevent cuts to our gang prevention programs.

YES on S has made it possible to for Sanger's police officers and first responders to keep you safe. Thanks to you, Measure S has purchased law enforcement equipment such as police vehicles, police radios, and firefighter life-saving tools such as the "jaws of life."

Without **Measure S** the number of paramedics will be reduced -- and five Sanger police officers will be cut. The nearest emergency room and trauma center is more than 20 minutes away in Fresno.

Maintaining 911 response times is critical for stopping crime, protecting victims and saving lives. We must not allow local residents to be put in danger by reducing the number of officers patrolling our neighborhoods or paramedics responding to emergency calls.

Here's what Measure S WON'T do:

- Again, Measure S WON'T increase your tax rates
- Measure S funds cannot be used for any other purpose

Join Sanger police officers and firefighters in voting **YES on S**.
