

**Argument in Favor of Measure \_\_**  
**Coalinga-Huron Joint Unified School District**

Our schools are the most important assets in our community and should be our number one priority. From higher achieving students, to greater neighborhood safety, quality schools make a difference. While our teachers and staff do a great job in educating our students, many classrooms and school facilities in the Coalinga-Huron Joint Unified School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our students need your **YES vote on Measure \_\_!**

In 2010, District voters passed a school improvement measure to modernize, upgrade, and renovate many of our local classrooms and school facilities. Today, we need to finish the job by completing school projects and upgrading technology throughout the District. Measure \_\_ will allow us to prepare our students for better paying jobs and higher education by meeting today's safety, technological, and educational standards. This will not only improve our schools, but benefit our communities.

**If passed, Measure \_\_ will make critical facility improvements to Coalinga and Huron classrooms, restrooms and school facilities, including:**

- Constructing classrooms and facilities for career technical education and job training in both Coalinga and Huron
- Replacing deteriorating plumbing systems
- Repairing or replacing leaky roofs
- Making health, safety and security improvements
- Replacing outdated heating, ventilation and air-conditioning systems

**Measure \_\_ makes financial sense and protects taxpayers.**

- All funds must be spent locally and cannot be taken by the state.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve local schools, not for teacher or administrator salaries.

Measure \_\_ upgrades and renovates old and inadequate classrooms, improves the education of local students, and maintains the quality of our communities. That's something we can all support. Please join us and **VOTE YES ON MEASURE \_\_!**

**Word Count: 296**
