RESOLUTION FY #17-03

RESOLUTION OF THE BOARD OF TRUSTEES OF THE SELMA UNIFIED SCHOOL DISTRICT ORDERING AN ELECTION TO AUTHORIZE THE ISSUANCE OF SCHOOL BONDS, ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS OCCURRING ON NOVEMBER 8, 2016

WHEREAS, in the judgment of the Board of Trustees (the "Board") of the Selma Unified School District (the "District"), it is advisable to call an election to submit to the electors of the District the question whether bonds of the District shall be issued and sold for the purpose of raising money for the acquisition or improvement of real property, and the furnishing and equipping of school facilities; and

WHEREAS, the District, in 2016, commissioned a comprehensive evaluation of its school facilities and the available sources of funding to improve its facilities; and

WHEREAS, the Board of Trustees (the "Board") of the District thereafter adopted a Facilities Assessment and Implementation Plan (the "Plan"), which provides a roadmap and sequence for addressing the District's needs for facility improvements; and

WHEREAS, the Plan provides that the District intends to modernize and upgrade classrooms to create 21st century learning environments that support Science, Technology, Engineering, Art or Agriculture, and Math (STEAM) instruction programs and selected pathway programs; provide well equipped state of the art academic learning spaces; improve student safety at school sites; construct and improve student support facilities, including the high school sports stadium; and, leverage State aid eligibility to improve facilities and minimize costs to local taxpayers

WHEREAS, the Plan requires the District identify a local funding source to contribute the District's match for purposes of securing state aid grants, in addition to funding other improvements; and

WHEREAS, as a result of the approval of Proposition 39 on November 7, 2000, Article XIII A, Section 1, paragraph (b), of the California Constitution ("Article XIII A") provides an exception to the limit on ad valorem property taxes on real property for bonded indebtedness incurred by a school district approved by 55 percent of the voters of the district voting on the proposition; and

WHEREAS, the Board is specifically authorized, upon approval by a two-thirds vote of the Board, to pursue the authorization and issuance of bonds by a fifty-five percent (55%) vote of the electorate on the question whether bonds of the District shall be issued and sold for specified purposes, pursuant to Education Code Section 15264 et seq. (the "Act"); and

WHEREAS, pursuant to the California Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, November 8, 2016, and to request the Fresno County Registrar of Voters to perform certain election services for the District; and
NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of the Selma Unified School District the following:

Section 1. Call for Election. The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in the maximum principal amount of $30.8 million for the purpose of raising money to finance school facilities and property of the District, and paying costs incident thereto, as set forth more fully in the ballot proposition approved pursuant to Section 3. This Resolution constitutes the order of the District to call such election.

Section 2. Election Date. The date of the election shall be November 8, 2016, and the election shall be held solely within the boundaries of the District.

Section 3. Purpose of Election; Ballot Proposition. The purpose of the election shall be for the voters in the District to vote on a proposition, a full copy of which is attached hereto and marked Exhibit A, containing the question of whether the District shall issue the Bonds for the purpose stated therein, together with the accountability requirements of Article XIII A and Government Code Section 53410 and the requirements of Section 15272 of the Act. The Fresno County Registrar of Voters (the “County Registrar”) is requested to print the Full Text of Measure contained on Exhibit A in the sample ballot pamphlet. As required by Elections Code Section 13247, the abbreviated form of the measure to appear on the ballot is attached hereto and marked as Exhibit B. The Superintendent or designee is hereby authorized and directed to make any changes to the text of the proposition or this resolution as required to conform to any requirements of Article XIII A, the Act, or the Fresno County Registrar of Voters.

Section 4. Authority for Election. The authority for ordering the election is contained in Section 15264 et. seq. of the Education Code and Section I, paragraph (b), subsection (3), of Article XIII A. The authority for the specification of this election order is contained in Section 5322 of the Education Code.

Section 5. School Facilities Projects. As required by Article XIII A, the Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the list of school facilities projects set forth on Exhibit A.

Section 6. Covenants of the Board upon Approval of the Bonds by the Electorate. As required by Article XIII, Section 15278 of the Act, and Government Code Section 53410, in the event 55 percent of the voters voting in the District approve of the Bonds, the Board shall:

1. conduct an annual, independent performance audit to ensure that the funds have been expended only on the projects listed in Exhibit A;
2. conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects listed in Exhibit A;

3. establish and appoint members to an independent citizens' oversight committee in accordance with Sections 15278, 15280, and 15282 of the Act;

4. apply the bond proceeds only to the specific purposes stated in the ballot proposition;

5. cause creation of accounts into which bond proceeds shall be deposited; and

6. cause the preparation of an annual report pursuant to Government Code Sections 53410 and 53411.

Section 7. Delivery of this Resolution. The Clerk of the Board is hereby directed to send a copy of this Resolution to the County Registrar and the Fresno County Clerk of the Board of Supervisors.

Section 8. Consolidation of Election. The County Registrar and the Fresno County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on November 8, 2016, within the District.

Section 9. Ballot Arguments; Tax Rate Statement. Any and all members of this Board are hereby authorized to act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument. The Superintendent, President of the Board, or their designees, are hereby authorized to execute any Tax Rate Statement or other document and to perform all acts necessary to place the bond measure on the ballot.

Section 10. Elections Code. Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors of Fresno County, is requested to permit the Registrar of Voters to render all services specified by Section 10418 of the Elections Code relating to the election, for which services the District agrees to reimburse Fresno County in full upon presentation of a bill, such services to include the mailing of the sample ballot and tax rate statement (described in Section 9401 of the Elections Code).

Section 11. Agreement. The Superintendent is authorized and directed to execute the agreements on file with Jones Hall, A Professional Law Corporation, which firm is appointed hereby to perform bond and disclosure counsel services in regard to the Bonds, and Caldwell Flores Winters, Inc. which firm is appointed to perform financial advisory services in regard to the Bonds.

Section 12. Effective Date. This resolution shall take effect on and after its adoption.
The foregoing resolution was adopted by the Board of Trustees of the Selma Unified School District of Fresno County at a regular meeting of said Board held on July 19, 2016, by the following vote:

**AYES:** Jennifer Winter

I, Sara Rodriguez, Clerk of the Governing Board of the Selma Unified School District of Fresno County, California, do hereby certify that the foregoing is a true copy of a resolution duly and legally adopted by the Governing Board of the District at a regular meeting thereof at said time and place and by the vote stated, which resolution is on file and on record in the office of said Board on July 19, 2016, and that said resolution has not been revoked.

Clerk of the Governing Board
Selma Unified School District

Dated: 7/19/16
EXHIBIT A
BALLOT MEASURE
FULL TEXT OF MEASURE

This proposition may be known and referred to as the Selma Unified School District General Obligation Bond of 2016, or Measure ___.

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Selma Unified School District (the “District”) shall be authorized to issue and sell bonds of up to $30.8 million in aggregate principal amount to provide financing for the specific school facilities projects listed in the Bond Project List below, and in order to qualify to receive State matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the District's voters and taxpayers may be assured that their money will be spent wisely to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Limitation on Use of Bond Proceeds. The State of California does not have the power to take locally approved school district bond funds for any State purposes. The Constitution allows proceeds from the sale of bonds authorized by this proposition to be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities listed in this proposition, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff only when performing work on or necessary and incidental to the bond projects.

Independent Citizens' Oversight Committee. The Board of Trustees shall establish an independent Citizens' Oversight Committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are spent only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date on which the Board of Trustees enters the election results on its minutes.
Annual Performance Audits. The Board of Trustees shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List.

Annual Financial Audits. The Board of Trustees shall conduct an annual, independent financial audit of the bond proceeds (which shall be separate from the District’s regular annual financial audit) until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board of Trustees shall take actions necessary pursuant to Government Code Section 53410 and following to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent or the Chief Business Official of the District (or such other employee as may perform substantially similar duties) shall cause a report to be filed with the Board no later than December 31 of each year, commencing December 31 of the year in which bonds are first issued, stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as such officer shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Specific Purposes. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and shall constitute the specific purposes of the bonds, and proceeds of the bonds shall be spent only for such purposes, pursuant to Government Code Section 53410.

Joint Use. The District may enter into agreements with the City of Selma, County of Fresno, or other public agencies or nonprofit organizations for joint use of school facilities financed with the proceeds of the bonds in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board of Trustees shall determine.

Rate of Interest. The bonds shall bear interest at a rate per annum not exceeding the statutory maximum, payable at the time or times permitted by law.

Term of Bonds. The number of years the whole or any part of the bonds are to run shall not exceed the legal limit, though this shall not preclude bonds from being sold which mature prior to the legal limit.

BOND PROJECT LIST

The Bond Project List below describes the specific projects the Selma Unified School District proposes to finance with proceeds of the bonds. Listed projects will be completed as needed at a particular school site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority.
for funding or completion. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. Certain construction funds expected from non-bond sources, including State grant funds for eligible projects, have not yet been secured. Until all project costs and funding sources are known, the Board of Trustees cannot determine the amount of bond proceeds available to be spent on each project, nor guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Completion of some projects may be subject to further government approvals or appropriation by State officials and boards, to local environmental review, and to input from the public. For these reasons, inclusion of a project on the Bond Project List is not a guarantee that the project will be funded or completed.

**BOND PROJECT LIST**

The District intends to use the proceeds of the Bonds to finance some or all of the below listed projects for joint school and community use, upon voter approval:

**District Wide**

- Build classrooms, science labs and vocational career facilities and learning environments that modern instruction and jobs require to better prepare our children to compete in the new economy
- Replace older portables with permanent new facilities
- Construct additional classrooms and support facilities, replace portable classrooms with new permanent facilities, increase student access to computers and modern classroom technology, and improve security and student safety
- Provide modern classrooms and labs that expand student learning in math, science, technology, agriculture and engineering
- Improve school support facilities, including multipurpose rooms, cafeterias, restrooms, and play areas
- Address unforeseen conditions revealed by construction/modernization (e.g., plumbing or gas line breaks, dry rot, seismic, structural, etc.)
- Perform necessary site preparation/restoration in connection with new construction, renovation or remodeling
- Planning, designing and providing temporary housing necessary for listed bond projects.

**Selma High School**

- Repair or replace the high school sports stadium and track for school and community use and athletic activities, including building code and safety improvements and increased accessibility
- Replace classrooms, reconfigure existing permanent classrooms and facilities, and provide furnishings, fixtures, and equipment to meet current teaching standards and requirements
- Upgrade and modernize classrooms to accommodate modern classroom instruction and meet current teaching standards and requirements
• Construct, create, and expand vocational classrooms and career technical facilities
• Upgrade or replace lighting, windows, or older heating and air conditioning systems to reduce annual operating costs and improve the learning environment
• Upgrade and integrate information technology infrastructure for new and modernized facilities and expand the use of digital technologies in the classroom

Selma Independent School/Heartland High
• Replace classrooms, reconfigure existing permanent classrooms and facilities, and provide furnishings, fixtures, and equipment to meet current teaching standards and requirements
• Retrofit classrooms with energy efficient air conditioning, heating, and safety systems to improve the classroom learning environment for students and teachers
• Upgrade and integrate information technology infrastructure for new and modernized facilities and expand the use of digital technologies in the classroom

Abraham Lincoln Middle School
• Replace classrooms, reconfigure existing permanent classrooms and facilities, and provide furnishings, fixtures, and equipment to meet current teaching standards and requirements
• Replace lighting, windows, or older heating and air conditioning systems to reduce annual operating costs and improve the learning environment
• Increase student safety and protect our investment in our schools by making security and modernization improvements that increase campus and student supervision and improved lighting, fencing and controlled security access to classrooms
• Upgrade and integrate information technology infrastructure for new and modernized facilities and expand the use of digital technologies in the classroom

• Replace existing portable classrooms with permanent classroom facilities, reconfigure existing permanent classrooms and facilities, and provide furnishings, fixtures, and equipment to meet current teaching standards and requirements
• Upgrade and modernize classrooms to accommodate modern classroom instruction and meet current teaching standards and requirements and improve restrooms, multipurpose rooms, and play areas
• Increase student safety and protect our investment in our schools by making security and modernization improvements that increase campus and student supervision and improved lighting, fencing and controlled security access to classrooms
• Replace lighting, windows, or older heating and air conditioning systems to reduce annual operating costs and improve the learning environment
- Upgrade and integrate information technology infrastructure for new and modernized facilities and expand the use of digital technologies in the classroom

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the list also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the list; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replacement of worn-out and leaky roofs, windows, walls, doors and drinking fountains; installation wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrades or construction of support facilities, including administrative, physical education/athletic facilities and performing arts buildings and maintenance yards; repair and replacement of fire alarms, emergency communications and security systems; resurfacing or replacing of hard courts, pools, turf and irrigation systems and campus landscaping and play fields; expand parking; install interior and exterior painting and floor covering; demolition; and construction of various forms of storage and support spaces, upgrade classrooms, bleachers, kitchens, repair, upgrade and install interior and exterior lighting systems; replace outdated security fences and security systems. The upgrading of technology infrastructure includes, but is not limited to, computers, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, call manager and network security/firewall, wireless technology systems and other miscellaneous equipment and software. The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District, such as gyms, fields and performing arts facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/ restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects and the costs of issuing the bonds. Bond proceeds
shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.
EXHIBIT B

BALLOT MEASURE
(ABBREVIATED FORM)

To modernize and construct additional classrooms and support facilities, replace portable classrooms with new permanent facilities, increase student access to computers and modern classroom technology, improve security and student safety, provide the local match for State grants, and reduce operating costs, shall the Selma Unified School District be authorized to issue up to $30.8 million in bonds at legal interest rates, with an independent Citizens' Oversight Committee, annual audits, and no money for administrator salaries?
