COUNTY CLERK/REGISTRAR OF VOTERS

BRANDI L. ORTH

May 5, 2018

Dear Registered Voter:

Welcome to your Fresno County Voter Information Guide for the Statewide Consolidated Primary Election to be held **June 5, 2018**. Your vote is the most important part of the electoral process. Please take a few moments to read this guide and prepare for your voting experience.

Remember, you do not have to wait for Election Day to cast your ballot. Early voting will begin at the County Clerk's office beginning Monday, May 7, 2018. All vote-by-mail ballots received in the County Clerk's office before Election Day **are the first ballots counted** on Election Night.

You can also participate in the election in a different manner – as a Precinct Officer. We need precinct officers for this and future elections. Please consider this exciting opportunity. Voters who are also bilingual are needed. Please call 559-600-1620 or visit FresnoVote.com and sign-up today!

A new language access page has been included in your Voter Information Guide. Some of our precincts now provide ballots translated into one of eight languages! To see what ballot languages your polling place will have on hand, please visit FresnoVote.com and click on "Check your Voter Status."

Recently, some laws pertaining to elections have changed. Those that will be in effect at this election, are as follows:

- A voter may now designate anyone to return their vote-by-mail ballot. Previously only the voter's family or household member could return a vote-by-mail ballot for a voter.
- A vote-by-mail voter may request a translated facsimile ballot be sent to them, if they live in a covered language precinct (check FresnoVote.com).
- If a person misses the 15-day voter registration deadline, they can still register and vote by visiting our downtown office up to and through Election Day and vote "conditionally".

The County Clerk/Registrar of Voter's office has a friendly staff to help you and ensure the integrity of the process. The goal of our office is to ensure a smooth and convenient voting experience for you, the voter. Please contact us with any questions or concerns and thank you for participating in this election.

Sincerely,

Brandi Orth

Fresno County Clerk/Registrar of Voters

The political parties are listed in the order of the State Randomized Alphabetical Drawing.

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT NO. 22**

ANDREW JANZ

Education and Qualifications:

As a violent crimes prosecutor, I have dedicated my life to serving the Central Valley by seeking justice for victims of violent crimes and by prosecuting gang members and career criminals. I was raised in Visalia as the son of immigrants. My parents taught me the value of hard work and I went from a minimum wage job serving burgers in high school to serving justice as a prosecutor. I am a proud graduate of Redwood High School. My wife, Heather, and I live in the Fresno portion of the district with our two dogs.

As a criminal prosecutor at the Fresno County District Attorney's Office, I have sworn to protect our community, defend the Constitution, and to uphold the highest of ethical and moral standards. In Congress, I will serve the Central Valley by putting people first, not special interests in Washington. In Congress, I'll support:

- Water projects that help our local farmers thrive
- Bipartisan immigration reform that keeps families together
- Tax relief for working families, not big corporations
- Regional Job Creation
- Protecting and expanding healthcare

I'm running for Congress because I don't see enough progress on these issues in Washington. What I see are career politicians playing partisan games and putting their donors ahead of the people. We can change that.

I'm endorsed by:

- Congresswoman Zoe Lofgren
- Congressman Mark Takano
- Former Fresno County Supervisor Henry Perea
- Former Fresno County Supervisor Susan Anderson
- Former Tulare County Supervisor Lali Moheno

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT NO. 22**

BOBBY BLIATOUT

Age: 41

Occupation: Nonprofit Healthcare Executive

Education and Qualifications:

There was a time when our Valley's values were essential to serving as an elected official. We worked together to bring opportunity and hope to all. Today, a strong commitment to expanding opportunity for all is needed again to help move our nation forward.

Growing up in the Valley, I learned how important these values are to our community of farmers, families, veterans, immigrants, students and those seeking the American Dream. I decided to run for Congress when I realized that new leadership is the only way to solve the problems we face.

For 15 plus years, I have worked to provide healthcare to the residents of the Valley. I understand just how crucial having access to healthcare is to the lives of so many of our family, friends and, neighbors.

As your Congressman, I will put aside the divisive politics of which we've all had enough. I will concentrate on finding solutions to ensure increased access to healthcare, protecting our water, supporting our farmers, and bringing new economic opportunities and jobs to the Valley. Those are Valley Values and I will continue to represent them every day.

I still remember a time, where Valley Values were best signified by a simple handshake. It was a time when your handshake was your word and your word was your promise to voters. Help me bring this back to our communities and Congress. I look forward to serving each and every person in the 22nd Congressional District.

**STATEMENT OF CANDIDATE FOR
STATE SENATE DISTRICT 8**

ANDREAS BORGEAS

Age: 43

Occupation: County Supervisor/Educator

Education and Qualifications:

As a husband and father I understand the challenges facing our community. Anna and I are blessed with two young boys, but today's California is far different from what we experienced and now I am fighting for a better tomorrow.

From overwhelming taxes, unaffordable education, job-killing regulations and declining standards of living, more than ever we need strong and effective leadership in Sacramento.

As Fresno County Supervisor, I have balanced multi-billion dollar budgets, increased deputy patrols, fought bureaucratic waste, protected seniors and veterans from scammers, and helped employers create good jobs in our community.

Count on me to fight against tax hikes, protect Proposition 13 and work to repeal the unfair gas tax.

Count on me to help build Temperance Flat and bring reliable water for our farms and families. We must also repair our aging roads, especially Highway 99.

I will help law enforcement solve more crimes by reinstating DNA collection of convicts. Also, I will fight for victims' rights and keep our communities safe by outlawing the early release of child sex traffickers and predators.

As a teacher with over a decade of classroom experience, I support K-12 education reforms, increased vocational training and promoting greater local academic control.

I will work to bring a public medical school to Fresno County, which will both improve medical services and create high paying jobs.

Sheriff Margaret Mims, Chief Jerry Dyer, Mayor Lee Brand, Assemblyman Jim Patterson and Deputy Sheriffs support my candidacy. I hope you will too.

**STATEMENT OF CANDIDATE FOR
STATE SENATE DISTRICT 8**

MARK BELDEN

Education and Qualifications:

I am a candidate for the State Legislature because I understand the particular rural needs of our area of California. I will support legislation and policies that better suit the needs of my constituents with common sense legislation.

Our elected representatives must be the voice of the people, not political parties or special interest groups whose sole purpose is to expand their ideology. Making public policy is not easy. It should not be. It should take into consideration the desires of all constituents as best as possible.

Like many of you, I am committed to reducing government waste, stretching each tax dollar further than it has ever been before. As a steward of the people's money we must not foolishly spend more than we take in and always be aware that every penny misspent will affect our future. That future is the one our children will inherit.

I will also be a strong and proud leader of personal freedoms and rights. Your freedom to choose religion, education, sexual orientation, marriage, women's choice or the right to bear firearms will always be paramount. We must not allow our rights to be diminished in any way.

My victory as a no party preference legislator will be the first in California's history and a victory for the voters who support me in representing the Foothills District. We, as a legislative district, will undoubtedly be looked upon as leaders and pioneers of future public policy. More education and qualifications at mcbelden.com.

**STATEMENT OF CANDIDATE FOR
STATE SENATE DISTRICT 8**

TOM PRATT

Age: 58

Occupation: Businessman

Education and Qualifications:

State Senate District 8 needs a strong voice in Sacramento. I will work hard to increase access to healthcare and funding for rural hospitals, to expand broadband availability, to keep our water clean, and to increase job training programs and foster economic sustainability in this diverse region.

I am committed to community service and have the track record to prove it. First elected in 1998 to my local school board in Southern California, I currently serve on the Vallecito Union School Board in Calaveras County.

Hard work, civic duty and access to good education for all are important to me. Throughout my life, I've strived to live up to those beliefs in my volunteer work and in business. Having helped to start a small family company, I understand the issues facing the business community. Currently I am fighting to secure homeowners insurance for Sierra Foothill residents who continue to lose coverage because of wildfires. As senator, I will commit the same level of hard work to you and your community--I would be honored to be your voice in Sacramento.

**COUNTY OF FRESNO
MEASURE A**

Shall the Fresno County Charter be amended as follows: Amending section 16 to remove the Director of Public Works as county surveyor and authorizing the Director of Public Works to appoint a county surveyor?

YES

NO

FULL TEXT OF MEASURE

SECTION 16. The appointive County officers shall be:

Members of the Civil Service Commission
Members of the Planning Commission
Agricultural Commissioner
Probation Officer
County Health Officer
Director of Weights and Measures
Director of Public Works
County Administrative Officer
County Counsel

Such other officers as now are or which may be hereafter authorized by the general law of the State of California or this Charter and established in pursuance thereof.

The Board of Supervisors shall appoint, suspend or remove, subject to the provisions of this Charter the following officers, boards and commissions: County Administrative Officer, County Counsel, members of the Civil Service Commission, members of the Planning Commission, Boards and Commissions not otherwise provided for by this Charter.

The County Administrative Officer shall appoint, suspend or remove, with prior approval of the Board of Supervisors, and subject to Civil Service procedures where applicable, all other appointive County officers, except as provided in this Charter. All appointive officers shall have the qualifications and exercise the powers and privileges and perform the duties and functions which now are or which may be hereafter prescribed for their respective offices by the Constitution and laws of the State of California, this Charter, and the ordinances and resolutions of the Board of Supervisors. The Director of Public Works shall be a registered civil engineer of the State of California and shall be ex-officio ~~County Surveyor and~~ Road Commissioner, and as such shall have the powers and privileges and perform the functions and duties which now are or which may be hereafter prescribed for such office by the Constitution and laws of the State of California, this Charter, and the ordinances and resolutions of the Board of Supervisors. **The Director of Public Works shall appoint a County Surveyor qualified under the laws of the State of California, who**

shall be subordinate to and directly responsible to the Director and who shall have the powers and privileges and perform the function and duties which now are or may be hereafter prescribed for such office by the Constitution and laws of the State of California, this Charter and the ordinances and resolutions of the Board of Supervisors. If the Director of Public Works is qualified under the laws of the State of California to serve as County Surveyor, the Director may be appointed as County Surveyor pursuant to this section.

IMPARTIAL ANALYSIS BY COUNTY COUNSEL

Fresno County Charter Section 16 presently requires the County Director of Public Works to be a registered civil engineer and provides that the Director of Public Works shall be the "ex-officio County surveyor". In order to hold the title of County surveyor, a person must be licensed by the State or specifically exempted from licensure. Voter approval of this measure will amend Charter Section 16 to remove the requirement that the County Director of Public Works shall be "ex-officio County surveyor" and add the provision that the County Director of Public Works shall appoint a separate qualified County surveyor if the Director of Public Works is not certified to practice as a licensed surveyor in the State of California.

This measure was placed on the ballot by order of the Fresno County Board of Supervisors.

s/ Daniel C. Cederborg
Fresno County Counsel

CONTINUED ON NEXT PAGE

ARGUMENT IN FAVOR OF MEASURE A

The proposed amendment to Section 16 of the Fresno County Charter would update the requirements for the Director of Public Works to match current educational and professional requirements.

Voters originally approved Fresno County's Charter in 1933; the requirement that the Director of Public Works be qualified both as a civil engineer and a surveyor has been included in Section 16 of the Charter since 1954. Since that time, the educational and professional requirements for licensure in the two occupations have changed. In the past, the education and licensure as a civil engineer qualified a person to perform the functions of a professional surveyor. Since the 1980's, the surveyor field has developed into a specialized field of study with separate licensure requirements. Under state law, civil engineers licensed prior to 1982 may perform the functions of a professional surveyor, but it is becoming increasingly rare for individuals to have been certified civil engineers for that long or to have obtained licensure in both professional occupations. This severely restricts the pool of qualified applicants for the position of the County Director of Public Works.

Removing the requirement that the Director of Public Works be a licensed surveyor will have no negative impact on the ability of that person to perform the duties of the Director. The County already employs a class of deputy surveyors who perform the day-to-day surveying tasks required of the department. In addition, the proposed amendment allows the Director to be the County Surveyor if that person does possess both civil engineering and surveying licensures.

We urge a yes vote on Measure A allowing the Director of Public Works to appoint a County Surveyor, if the Director is not a licensed surveyor.
