COUNTY CLERK/REGISTRAR OF VOTERS

BRANDI L. ORTH

October 6, 2018

Dear Registered Voter:

Welcome to your Fresno County Voter Information Guide for the November 6, 2018 Statewide Consolidated General Election. This guide contains information to assist your decision making process in this very important election. Please continue reading for more information to prepare for the upcoming election. I hope the information contained is helpful and answers any questions you may have.

The enclosed practice ballot is specific to your residential address and voting precinct and it contains a unique combination of contests and measures on which you will vote. There will be 273 versions of the ballot prepared countywide. There are a total of 103 contests and 261 qualified candidates going to election, not to mention 12 state propositions and 15 local measures. This will be one of the busiest elections to date!

We have all heard discussions involving the topic of election security. Here in Fresno County, the voting equipment is under my control 24/7 and resides in a facility which contains multiple levels of security. The election equipment is transported, and under the control of trained precinct officers on Election Day. All voting equipment is returned to our warehouse, and accounted for, by the end of Election Day.

We are ever vigilant in maintaining the integrity of the electronic voter registration environment. Fresno County's IT Services Division partners with the Department of Homeland Security and other agencies to ensure the safety and security of voter related information. The California Secretary of State's office also monitors voter registration information and performs supplementary scans and examinations to protect against cyber intrusion. Under my leadership, data security is a top priority and we understand our responsibility of protecting the election process and the confidence of Fresno County voters.

We are often asked "I don't want to wait in line. When is the best time to vote?" "Early" is our resounding answer. Early voting will start Monday, October 8, 2018, at our office at 2221 Kern Street in downtown Fresno, and will run, up to and including Election Day. If you prefer to vote at the polls, the busiest times of the day are early morning, midday, and early evening. Late morning and mid-afternoon are typically the quietest times at our polling locations.

Many of you will automatically be receiving your ballot in the mail, as indicated on the back cover of this guide. Or you can come in to our Fresno location at 2221 Kern Street, Fresno between 8:30am – 5:00pm, Monday through Friday or request your vote by mail ballot using the application on the back of this guide. For your convenience we will also be open for voting on Saturday, November 3, 2018 from 8:30 am – noon.

Our mission at the Fresno County Clerk/Registrar of Voter's is to help all of our eligible voters successfully cast their ballot, however we can. Remember, your vote is your voice. Let us help you be heard.

We look forward to counting your vote and will continue to strive to provide you a positive voting experience.

Sincerely,

Brandi Orth
Fresno County Clerk/Registrar of Voters

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

LEY POR INICIATIVA. Autoriza 8.877 mil millones de dólares en bonos de obligación general estatal para varios proyectos de infraestructura. Impacto fiscal: el aumento de los costos estatales para pagar bonos de 430 millones de dólares en promedio por año durante 40 años. Es probable que, en promedio, los ahorros del gobierno local para proyectos relacionados con el agua sean de varios cientos de millones de dólares por año durante las próximas décadas.

La ley que permite que los empleados que trabajan por hora tomen un receso sin estar de guardia no aplicaría a los empleados de ambulancias del sector privado. 4. AUTORIZA BONOS PARA FINANCIAR LA CONSTRUCCIÓN EN HOSPITALES QUE PROPORCIONEN ATENCIÓN MÉDICA INFANTIL. LEY POR INICIATIVA. Autoriza 1.5 mil millones de dólares en bonos, que el Fondo General estatal debe reembolsar, con el fin de financiar subvenciones para la construcción, la expansión, la renovación y el equipamiento de hospitales infantiles que reúnan los requisitos. Establece requisitos mínimos para el confinamiento de ciertos animales de granja. Prohíbe las ventas de productos de carne y derivados del huevo de animales confinados sin cumplir las normas. Impacto fiscal: posible disminución de los ingresos del impuesto sobre la renta estatal de empresas agrícolas, probablemente no más de varios millones de dólares anuales. Costos estatales de hasta 10 millones de dólares anualmente para hacer cumplir la iniciativa de ley.

5. CAMBIA LOS REQUISITOS PARA QUE CIERTOS DUEÑOS DE PROPIEDADES TRANSFIERAN SU BASE DE IMPUESTOS SOBRE LA PROPIEDAD A PROPIEDAD DE REEMPLAZO. ENMIENDA CONSTITUCIONAL Y LEY POR INICIATIVA. Elimina ciertos requisitos de transferencia para propietarios de viviendas mayores de 55 años de edad, propietarios gravemente incapacitados y propiedad contaminada o afectada por un desastre natural. Impacto fiscal: las escuelas y los gobiernos locales perderían desde un principio más de 100 millones de dólares cada uno en impuestos anuales sobre la propiedad, cantidad que aumentaría a aproximadamente 1 mil millones de dólares por año. El aumento sería similar en los costos estatales para cubrir las pérdidas de impuestos sobre la propiedad de escuelas.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 16**

JIM COSTA

Occupation: Farmer/Representative

Education and Qualifications:

My family immigrated to the Valley, where we have been farming for 112 years. Our story is the American story of immigration, families who come here to build a better life.

Now more than ever, we need leaders with the experience to find common sense solutions to the problems we face. As your Congressman, I work hard to get things done for our Valley.

Nothing is as important to our Valley's future as a clean and reliable water supply. Over the past two years, we've been successful in providing more flexibility for water managers and Valley farmers and will continue to push for more water, including funding to improve our infrastructure and build more storage.

I've championed comprehensive immigration reform, keeping families together and protecting the Dreamers from the uncertainty no one should have to endure.

Since 2010, the number of uninsured people in our Congressional district has dropped by half, but affordable healthcare will always be a priority. I'm continuing my work to expand healthcare, increasing funding for our community hospitals and health clinics and making drug prices affordable.

To ensure our veterans get what they've earned, I secured funding to open the Fresno Veterans Home and worked to improve access for veteran's healthcare.

We've brought tax dollars back to our Valley – improving roads, hiring police officers, funding schools and colleges and passing a Farm Bill that keeps Valley agriculture growing.

We have more to do – join my efforts to reinvest in our future and keep our Valley strong.

**STATEMENT OF CANDIDATE FOR
STATE SENATE DISTRICT 8**

ANDREAS BORGEAS

Age: 43

Occupation: County Supervisor/Educator

Education and Qualifications:

As a husband and father I understand the challenges facing our community. Anna and I are blessed with two young boys, but today's California is far different from what we experienced and now I am fighting for a better tomorrow.

Excessive taxes, expensive pharmaceuticals, and unaffordable college threaten our standard of living. Now more than ever we need strong and effective leadership in Sacramento.

As Fresno County Supervisor, I have balanced multi-billion dollar budgets, increased deputy patrols, fought bureaucratic waste, protected seniors and veterans from scammers, and helped employers create good jobs in our community.

As a teacher with over a decade of classroom experience, I support increased vocational training and local academic control to ensure students can succeed in tomorrow's economy.

Count on me to protect Proposition 13 from efforts to raise our property taxes.

Count on me to help build water infrastructure so we can have clean and reliable supplies for our farms and families. We must also repair our aging roads, especially Highway 99.

I will help law enforcement solve more crimes by reinstating DNA collection of convicts. Also, I will fight for victims' rights and keep our communities safe by outlawing the early release of child traffickers and predators.

I will work to bring a public medical school to Fresno County, which will improve medical services and create high paying jobs.

Sheriff Margaret Mims, Chief Jerry Dyer, Mayor Lee Brand, firefighters, police and deputy sheriffs support my candidacy. I hope you will too.

**STATEMENT OF CANDIDATE FOR
AUDITOR-CONTROLLER/TREASURER-TAX COLLECTOR**

OSCAR J GARCIA, CPA

Age: 55

Occupation: Auditor-Controller/Treasurer-Tax Collector

Education and Qualifications:

As your current Auditor-Controller/Treasurer-Tax Collector, I have made significant changes to our office to better serve the citizens of Fresno County. By streamlining procedures, cutting costs, helping other County departments and using a fund balance policy, I have reported \$40 million for County budget use, thus allowing additional services for Fresno County taxpayers without raising taxes!

After graduating Cum Laude from California State University, Fresno with a degree in Business Administration with an Accountancy option, I entered the private sector and attained a Certified Public Accountant license.

In 2016, I was appointed by the Fresno County Board of Supervisors to finish a term vacated by the Auditor and brought new ideas of efficiency and improving services. By adding new auditing procedures, additional money remained in our Fresno County Treasury, therefore, gaining more interest and saving the taxpayers nearly \$500,000 dollars per year.

My new policies and procedures have earned me the endorsements of current Supervisors, Pacheco, Borgeas, Quintero, Mendes and Magsig, and also former Sheriff Steve Magarian and the Fresno Deputy Sheriff's Association. My wife and I of 20 years enjoy spending time with family and friends. We would appreciate your vote. Contact: Garciaauditor2018@yahoo.com. Thank you.
