

CHEVRON SAN ARDO TO COALINGA HEATED OIL PIPELINE PROJECT
MONTEREY COUNTY, CALIFORNIA
FRESNO COUNTY, CALIFORNIA

DRAFT ENVIRONMENTAL IMPACT REPORT

Please note, this is a large document. It has been broken down into several smaller files. The links below will take you to each of the sections.

The entire document can be downloaded in a ZIP file for your convenience. [Click here to download.](#)

[Volume I Cover](#)

[Table of Contents](#)

[Summary](#)

[1.0 Introduction](#)

[2.0 Project Description](#)

[3.1 Regional Overview](#)

[3.2 Aesthetics](#)

[3.3 Agriculture](#)

[3.4 Air Quality](#)

[3.5 Biological Resources](#)

[3.6 Cultural Resources](#)

[3.7 Geology](#)

[3.8 Hazards](#)

[3.9 Hydrology and Water Quality](#)

[3.10 Land Use](#)

[3.11 Noise](#)

[3.12 Traffic](#)

[4.0 Alternatives](#)

[5.0 Other CEQA Topics](#)

[6.0 Report Preparation](#)

[7.0 References](#)

[8.0 Glossary and Acronyms](#)

[Volume II Cover Appendices](#)

[App A1 NOP, Public Notice, Mailing List](#)

[App A2 Written NOP and Scoping Comments](#)

[App A3 Initial Study](#)

[App A4 Summary of Scoping Meeting and Sign in Sheets](#)

[App B MMRP](#)

[App C Air Quality Analysis](#)

[App D Biological Resources Maps](#)

[App E Los Vaqueros Ranch](#)

[App F Channel Crossing Erosion and Scour Hazard Assessment](#)

[App G Geologic Strip Maps for Project Corridor](#)

[App H Pipeline Risk Assessment Final Report](#)

[App I Blasting Best Practices](#)
