How can the County help you?

If you own and occupy your home, live in the unincorporated area of Fresno County, and want to make home repairs, the Department of Public Works and Planning, Community Development Division, may be able to help you with a zero (0%) percent loan.

The Affordable Housing Programs provides these loans for moderate to substantial/reconstruction type projects. Code deficiencies as well as owner requested general property improvements are addressed. Housing Assistance Rehabilitation Program (HARP) loans are funded by various federal and state agencies and are specifically designed to assist low-income families in making improvements to their homes.

Mobile homes are eligible for these loans with the installation of a permanent foundation.

Who can apply?

Any person who owns and occupies their home in the unincorporated area of Fresno County and the following participating cities, with a combined income that does not exceed the amounts for the family size indicated.

Family Size	Total Family Income
1	\$28,450
