2012

The FCERA Trustee Educational Policy calls for an annual report by your Chair on the participation of Board members in educational activities during the previous calendar year. The report shall be agendized and reviewed by the Board of Retirement during the first meeting in February.

I have attached the report on the annual participation of Board members/Retirement Administrator in educational activities for calendar year 2012 for your reference. Please note that the costs for educational activities are reflected in the quarterly Trustee Travel reports provided to your Board in January, April, July, and October and are posted with the Agenda on FCERA's website.

Please contact me if you have any questions. Thank you.
