

CONSTRUCTION & ROAD CLOSURE ALERT

ROAD CLOSURES ON TULARE & MONO STREETS IN DOWNTOWN FRESNO

UPDATED: MAY 19, 2017

FRESNO, CALIF. – The California High-Speed Rail Authority (Authority), in cooperation with design-build contractor, Tutor-Perini/Zachry/Parsons (TPZP), announces multiple closures for construction at Tulare and Mono streets in the City of Fresno.

The first phase of work is being performed to create a Tulare Street underpass that will run below high-speed rail tracks and also eliminate the current at-grade crossing for Union Pacific Railroad. The second phase of work will be for the construction of the new G Street crossing that will run adjacent to high-speed and Union Pacific rail lines. Work is scheduled to begin June 1, 2017.

This is part of Construction Package 1 (CP 1), the first 32-mile stretch of high-speed rail between Avenue 19 in Madera County and East American Avenue in Fresno County.

Tulare Street Closure

Tulare Street will be closed to thru traffic between G and H streets. The closure will be in effect for approximately 24 months for phases 1 and 2.

Traffic going eastbound on Tulare Street will be detoured north onto G Street, east onto Fresno Street, then south onto H Street back onto Tulare Street.

Detour signage will be in place to direct traffic.

Mono Street Closure

Mono Street will be closed to thru traffic between G and H Streets. The closure will be in effect for approximately one month.

Traffic going westbound on Mono Street will be detoured south on H Street, west on Ventura Street, then north on G Street back onto Mono Street.

Traffic on Mono Street will be detoured south on G Street, east on Ventura Street, then north on H Street back onto Mono Street.

This schedule is subject to change. For up-to-date information please visit BuildHSR.com or the [Caltrans Quickmap](#). Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The public is asked to drive carefully and be extra cautious while traveling through the construction areas.
