01		INTERPRETERHT	Interpreter half time	P		3/21/2012

* An earn code is no longer used or needed for the various court reporter differentials. Instead the differential is tied to the classification.

**A Court reporter differential of 5% was approved, however the actual differential proposed was 5.5%. The accurate and proper differential is 5.5%.

*** Pensionable only for those members working less than full time (<1FTE) and only to a maximum of fulltime (1FTE)
