## Drive through tax payment booth (Friday April 10th)

Once again, as a service to the public, this year the Fresno County Tax Collector's office will offer a drive through option for dropping off property tax payments. The drive through payment booth will be located in the Hall of Records Parking lot at the corner of Tulare and M streets (please enter from the M street entrance). The drive through cannot accept cash payments or credit/debit card payments, those need to be made inside the Treasury office, or online. This service will be available from 8:00 a.m. until 4:30 p.m. on Friday April 10th (last day to pay property tax without incurring a penalty). Payments will be accepted from 8:00 a.m. until 5:00 p.m. on April 10th inside the Hall of Records at the Treasurer's counter, room 105.
