QUESTIONS AND ANSWERS

Q1. What is the accessibility to all generators? Can you park right next to them, are there any on roofs, in basements, long walks necessary to get to, etc.?

A1. County's response - Generator location and accessibility varies by location. Specific site details for each generator are not available at this time.

Q2. Can we confirm the generator information (MN, SN, etc.) for the following generators:

- **All "Special Districts" generators**
- **501 Juvenile Hall Annex Cummins**
- **515 Probation 20kw Ford-Onan**
- **605 - So. Annex Jail 50kw Kohler**

A2. County's response - The lists of generators that are included in the RFQ were provided by the departments who own and manage them, with as much detail as they were equipped to provide without driving to all generator locations located all over the County. Bidders should make their bids based on the details that are documented in the RFQ.
