**Question**    **I cannot get a fixed price from the refinery for 1 yr. Is the price fixed for 180 days then after 180 days something different as per page 5 Firm Quotation and page 6 Prices?**

**Answer**        *In your bid response state the amount of time you can get a fixed price from the refinery. We realize the oil industry fluctuates. When there is a price increase that needs to be passed onto County of Fresno, you will need to submit a notice to be approved by the Purchasing Manager 30 days prior to the effective date of the increase. The "firm quotation" statement on page 5 is referring to the amount of time we allow for completing the bid process all the way to the mutually signed contract.*
