QUESTIONS & ANSWERS

Q1. On Page 9 of bid instructions it states that if awarded the contractor shall provide insurance, yet on page 10 the information for this insurance is requested. Does page 10 need to be filled out for the bid or if awarded?

A1. On page 9 it refers to the certificate of insurance that is required within 30 days from the date the Contractor executes the agreement. Page 10 is part of the bidder to complete information that needs to be completed and submitted with your bid.

Q2. On page 19 (Specifications), the 2nd paragraph references Maximum Visual Performance Prismatic (MVP); what is this material? Is there any additional information that can be provided?

A2. See revised Specifications Manufactured Reflective Sheeting Aluminum Signs Comply page and replace in its entirety with bid response.

Q3. Paragraph 4 calls out a requirement for “graffiti proof ink shall be used on all Diamond grade signs and above that use transparent inks”. There is no graffiti proof ink that is manufactured for the sheeting requested.

A3. See revised Quotation Schedule Information page and replace in its entirety.

Q4. On page 22, it is stated DG indicates Diamond Grade, please clarify. Diamond Grade VIP series 3900 or Diamond Grade DG3 series 4000?

A4. See revised Quotation Schedule Information page and replace in its entirety.

Q5. Please provide a size on line #55

A5. See revised Quotation Schedule and replace in its entirety with bid response.
