## Addendum 2: Response to Vendor Questions ON-SITE JANITOR REQUIREMENTS CLARIFICATION

## County of Fresno Facility Services

For all buildings in all four lots, except otherwise stated, Janitors do not have to remain on-site through their scheduled shift; however, they do have to be available to return to a facility for spills, messes, empty supplies, etc. when called. In restricted areas such as law enforcement related facilities or facilities containing sensitive information, janitors may have to return to a site if access was not available during their normal cleaning routine. See the Scope of Work for each facility. The facilities in the following spreadsheet require a janitor to remain on-site during their scheduled shift.
