## QUESTIONS AND ANSWERS

**Q1. Would you be kind enough to advise if there have been rope-related state write ups on last year's preliminary reports for the units located at the following buildings:**

**Health Department Brix & Mercer – 1221 Fulton Mall**

**Fresno County Plaza – 2220 Tulare Street**

**Main Jail – 1225 M Street**

A1. *Per Mike Bartosch, "I ran this by Thyssen and they were not aware of any rope issues that the State has written us up for."*

**Q2. What is the current monthly pricing that The County of Fresno pays Thyssen for the Elevator maintenance contract? What was the original award price? What elevator units have been added to the new contract and what units have been removed from the new contract, compared to the existing contract?**

A2. *Attached below are the quotation sheets that the current vendor provided in their bid for the 2007 contract (**Attachment A**). I believe all of these prices were discounted somewhat a couple of years ago when the County asked vendors to help us get through financial hard times.*

*We have made some notations on the sheets to indicate changes since the 2007 contract. We turned over the elevators at the Courthouse to the Courts and sold the Apollo Building. We added wheelchair lifts at the Laton Library and County Law Library (that is within the Courthouse). We added all of the elevators in the UMC hospital at limited service when the hospital was turned back over to us in 2010.*

**Q3. Item 5 on page 26--> can we add obsolescence to the list of excluded causes?**

A3. *Item #5: Sounds reasonable.*

**Q4. Page 35--> article XI paragraph. Can we ask to add a damage disclaimer, "CONTRACTOR will not be liable for any special, indirect, consequential or liquidated damages hereunder."?**

A4. *Item B. Articulates the Contractor's rights and responsibilities in terms of damages.*

*The CONTRACTOR shall take responsibility for the work and shall bear all losses to him/her resulting from the negligence of the CONTRACTOR. The CONTRACTOR shall be responsible for all work of subcontractors, and shall assume the defense of and indemnify and save harmless the COUNTY of Fresno and any of its officers and their agents from claims of any kind arising from the negligent performance of this Contract by the CONTRACTOR or any of his/her subcontractors. The CONTRACTOR shall not be liable for injuries or damage to persons or property except those directly due to his/her own acts or omissions, and the responsibility of the COUNTY for injuries or damage to persons or property while on or about the equipment being maintained hereunder is in no way affected by this Agreement. The CONTRACTOR shall not be liable for any loss, damage or delay caused by strikes, lockouts, fire, explosion, theft, floods, riot, civil commotion, war, malicious mischiefs, acts of God or any cause beyond his/her reasonable control.*

*I would not recommend adding any "damage disclaimer" that contradicts what is said in that section.*
