AGREEMENT

This AGREEMENT ("Agreement") is made and entered into this 13th day of March, 2012, by and between the COUNTY OF FRESNO, a political subdivision of the State of California, hereinafter "COUNTY", and Durham Construction Company, Inc., hereinafter "CONTRACTOR".

WITNESSETH:

This AGREEMENT shall establish a competitively bid, fixed price, indefinite quantity, Job Order Contract. The scope of work to be performed pursuant to this Agreement includes a comprehensive listing of detailed repair and construction tasks and specifications that have pre-established units of measure and unit prices listed in a Construction Task Catalog No. 912-5020 developed for the COUNTY by the Gordian Group. The work under this AGREEMENT shall be carried out pursuant to individual Task or Job Orders and shall involve the repair, alteration, modernization, maintenance, rehabilitation, reconstruction, or construction of public buildings, streets, utilities, and other public works.

The obligations of all parties under this Agreement shall be as set forth in this Agreement and detailed in COUNTY's Request for Quotation No. 912-5020, COUNTY'S Addendum No. One thereto and CONTRACTOR's Response to Request for Quotation No. 912-5020, all of which are attached hereto as Exhibits A, B and C, respectively and incorporated herein by reference. All capitalized terms used in this Agreement shall have the meanings attached to them as set forth in COUNTY's Request for Quotation No. 912-5020, to the extent not otherwise defined in this Agreement.

1 I. OBLIGATIONS OF CONTRACTOR

2 A. CONTRACTOR agrees to furnish all labor and materials, including tools,
3 implements, and appliances required, and to perform all the work in a good and
4 workmanlike manner, free from any and all liens and claims of mechanics, material-men,
5 subcontractors, artisans, machinists, teamsters, day-men and laborers required for
6 completing specific Task Orders as directed by COUNTY.
7

8 B. In accordance with the provisions of Section 1770 of the Labor Code, the
9 Director of the Department of Industrial Relations of the State of California has determined
10 the general prevailing rates of wages and employer payments for health and welfare,
11 pension, vacation, travel time, and subsistence pay as provided for in Section 1773.8,
12 apprenticeship or other training programs authorized by Section 3093, and similar purposes
13 applicable to the work to be done. Said wages are on file with the Clerk of the Board of
14 Supervisors, Room 301, Hall of Records, Fresno, California, and are incorporated herein by
15 reference.
16

17
18 It shall be mandatory upon the CONTRACTOR herein and upon any subcontractor to pay
19 not less than the said specified rates to all laborers, workmen and mechanics employed by
20 them in the execution of the Contract.
21

22 CONTRACTOR shall comply with Labor Code Section 1775. In accordance with said
23 Section 1775, the CONTRACTOR shall forfeit as a penalty to the COUNTY \$50.00 for each
24 calendar day or portion thereof, for each workman paid less than the stipulated prevailing
25 rates for such work or craft in which such workman is employed for any work done under
26 the Contract by CONTRACTOR or by any subcontractor under CONTRACTOR in violation
27 of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780,
28

1 inclusive. In addition to said penalty and pursuant to said Section 1775, the difference
2 between such stipulated prevailing wage rates and the amount paid to each workman for
3 each calendar day or portion thereof for which each workman was paid less than the
4 stipulated prevailing wage rate shall be paid to each workman by the CONTRACTOR.
5

6 The CONTRACTOR and each subcontractor shall keep or cause to be kept an accurate
7 record showing the names and occupations of all laborers, workmen and mechanics
8 employed by him in connection with the execution of the Contract or any subcontract
9 thereunder, and showing also the actual per diem wage paid to each of such workers,
10 which records shall be open at all reasonable hours to inspection by the COUNTY, its
11 officers and agents and to the representatives of the Division of Labor Law Enforcement of
12 the State Department of Industrial Relations.
13

14
15 CONTRACTOR and any subcontractor under CONTRACTOR shall also comply with the
16 provisions of Section 1777.5 and Section 1777.6 of the Labor Code concerning the
17 employment of apprentices.
18

19 C. It is further understood and agreed that, in accordance with the provisions of
20 Sections 1810 to 1815 of the Labor Code of the State of California, eight (8) hours labor
21 shall constitute a day's work, but because this is a contract for public work, work performed
22 by employees of the CONTRACTOR and each Sub-Contractor in excess of eight (8) hours
23 per day, and forty (40) hours in any one week, shall be permitted upon compensation for all
24 hours worked in excess of eight (8) hours per day at not less than one and one-half (1 1/2)
25 times the basic rate of pay. The CONTRACTOR and each subcontractor shall keep an
26 accurate record showing the names and actual hours worked of all workers employed by
27 him in connection with the work contemplated by this Agreement, which record shall be
28

1 open at all reasonable hours to the inspection of the COUNTY or its officer or agents and to
2 the Chief of the Division of Labor Statistics and Law Enforcement of the Department of
3 Industrial Relations, his deputies or agents. It is hereby further agreed that said
4 CONTRACTOR shall forfeit as a penalty to the COUNTY the sum of twenty-five dollars
5 (\$25) for each laborer, workman employed by CONTRACTOR or any subcontractor under
6 CONTRACTOR, for each calendar day during which such laborer or workman is required
7 or permitted to labor more than eight (8) hours in violation of this stipulation.
8

9
10 The Board of Supervisors hereby specifies that portions of the work can only be performed
11 outside the regular working hours as defined in the applicable collective bargaining
12 agreement filed with the Director of Industrial Relations in accordance with Labor Code
13 Section 1773.1, and that the overtime requirements for Saturdays, and holidays are hereby
14 waived for these portions of the work, as more particularly described in the specifications.
15 However, this exemption shall not negate the overtime provisions specified in Labor Code
16 Section 1815.
17

18
19 D. All agreements between the CONTRACTOR, Sub-Contractors, and Sub-
20 Contractors of lower tier shall be subject to the approval of the COUNTY. In no case does
21 such approval relieve the CONTRACTOR of any conditions imposed by the Contract
22 Documents. Sub-Contractors may be added, deleted or substituted only in accordance with
23 the provisions of Public Contract Code Section 4100 et seq.
24

25 CONTRACTOR shall bind every Sub-Contractor by the terms of the Contract
26 Documents to carry out their provisions insofar as applicable to their work; and the
27 CONTRACTOR further agrees to pay to each Sub-Contractor promptly upon issuance of
28 Certificate of Payment, his/her or their due portion.

1 Neither the acceptance of the name of Sub-Contractor nor the suggestion of such
2 name nor any other act of the COUNTY nor anything contained in any Contract Document
3 shall be construed as creating any contractual relation between the COUNTY and any Sub-
4 Contractor of any tier.
5

6 The COUNTY reserves the right to reject any proposed Sub-Contractor, installer, or
7 supplier who cannot show satisfactory evidence of meeting the qualifications required by
8 the Contract Documents. In the event of such rejection, the CONTRACTOR shall, within
9 the time frame listed for submittal of revised Proposals, submit the name and qualifications
10 of a replacement Sub-Contractor, installer or supplier satisfactory to the COUNTY. Such
11 replacement submittal shall be in accordance with all Contract Documents. No adjustment
12 of Proposal price shall be made in the event of such replacement.
13

14 When an individual Task Order utilizes Federal Funds and the County elects to
15 require Disadvantaged Business Enterprise (DBE) participation, the CONTRACTOR shall
16 follow the Federal Good Faith Effort requirements for inclusion of DBE Sub-Contractors and
17 suppliers.

19 provided thereunder, are contingent on the approval of funds by the appropriating
20 government agency. Should sufficient funds not be allocated, the services provided may be
21 modified, or this Agreement terminated, at any time by giving the CONTRACTOR thirty (30)
22 days advance written notice.

23
24
25 B. Breach of Contract - The COUNTY may immediately suspend or terminate this
26 Agreement in whole or in part, where in the determination of the COUNTY there is:

- 27 1. An illegal or improper use of funds;
28 2. A failure to comply with any term of this Agreement;

1 3. A substantially incorrect or incomplete report submitted to the COUNTY;

2 4. Improperly performed service.

3 In no event shall any payment by the COUNTY constitute a waiver by the COUNTY of
4 any breach of this Agreement or any default which may then exist on the part of the
5 CONTRACTOR. Neither shall such payment impair or prejudice any remedy available to the
6 COUNTY with respect to the breach or default. The COUNTY shall have the right to demand
7 of the CONTRACTOR the repayment to the COUNTY of any funds disbursed to the
8 CONTRACTOR under this Agreement, which in the judgment of the COUNTY were not
9 expended in accordance with the terms of this Agreement. The CONTRACTOR shall promptly
10 refund any such funds upon demand.
11
12

13 C. Without Cause - Under circumstances other than those set forth above, this
14 Agreement may be terminated by COUNTY upon the giving of thirty (30) days advance

16

17 V. COMPENSATION/INVOICING:

18 COUNTY agrees to pay CONTRACTOR and CONTRACTOR agrees to receive
19 compensation for each Task Order in accordance with the CONTRACTOR's Adjustment

28	

Federal	
Other than Normal Working Hours Adjustment Factor	0.9817

The Minimum Contract Value is \$25,000 (twenty-five thousand dollars). The CONTRACTOR will receive Task Orders totaling a minimum of \$25,000 during the Contract term. The Maximum Contract Value is \$2,000,000 (two million dollars). 2 It is understood and agreed by both parties to the Contract that in case all the Work
3 specified or indicated in the Contract Documents is not completed within the specified time
4 frames set forth in the Task Order, or within such time limits as extended, damages will be
5 sustained by the COUNTY in the event of and by reason of such delay. It is, and will be,
6 impractical and extremely difficult to determine the actual damage which the COUNTY will
7 sustain by reason of the delay. It is therefore agreed that the CONTRACTOR will pay, at a
8 minimum, to the COUNTY the sum of money stipulated per day in the Task Order for each
9 day's delay in completing the work beyond the time prescribed.
10

11
12 Application of Liquidated Damages and the value of liquidated damages will be
13 determined by the County on a Task Order by Task Order basis. Each Task Order will state
14 whether Liquidated Damages will be applied.
15

16 COUNTY may withhold Liquidated Damages from payments to the CONTRACTOR as
17 such damages accrue, or, at COUNTY's discretion, withhold Liquidated Damages from any
18 payments due or that become due pursuant to the Contract, including Retention and final
19 payment (pursuant to California Government Code §53069.85). A credit Task Order shall be
20 executed to assess liquidated damages.
21

24 In performance of the work, duties and obligations assumed by CONTRACTOR under
25 this Agreement, it is mutually understood and agreed that CONTRACTOR, including any and
26 all of the CONTRACTOR'S officers, agents, employees and subcontractors will at all times be
27 acting and performing as an independent contractor, and shall act in an independent capacity
28 and not as an officer, agent, servant, employee, joint venturer, partner, or associate of the

COUNTY. Furthermore, COUNTY shall have no right to control or supervise or direct the manner or method by which CONTRACTOR shall perform its work and function. However, COUNTY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions thereof.

CONTRACTOR and COUNTY shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

Because of its status as an independent contractor, CONTRACTOR shall have absolutely no right to employment rights and benefits available to COUNTY employees. CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. In addition, CONTRACTOR shall be solely responsible and save COUNTY harmless from all matters relating to payment of CONTRACTOR'S employees, including compliance with Social Security withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, CONTRACTOR may be providing services to others unrelated to the COUNTY or to this Agreement.
