The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

SCOPE OF WORK

The County of Fresno on behalf of the Department of Social Services (DSS) requests proposals from qualified vendors to perform medical evaluations to determine the presence or absence of a physical or mental condition that prevents or substantially reduces a General Relief applicant's ability to engage in work or job related training. Currently, the program experiences a 30% - 40% no show rate for scheduled medical examinations. For the current Federal Fiscal Year (FFY), it is estimated the vendor will receive 1,400 referrals and provide 900 medical evaluations for General Relief applicants/clients. No reimbursement from Fresno County shall be made for no-show appointments.

Requirements:

The required medical evaluations shall be performed within ten (10) days of a referral from the Department of Social Services (DSS). The successful bidder shall provide medical evaluations that include physical examinations and diagnostic tests on a minimum of five (5) days per month, with thirty (30) referrals accepted per day. Appointments for medical evaluations are scheduled daily and a complete roster will be conveyed to the successful bidder two (2) weeks in advance of each scheduled evaluation. The completed roster will include reference to any interpreter services that are needed. Experience indicates this is a very rare occurrence.

Document GR 8085 (**Exhibit A**) will be completed in its entirety and returned to DSS within fifteen (15) days of the completed medical evaluation. Medical evaluations are required upon the General Relief client's application to the program and every twelve (12) months or when the disability ends, whichever occurs first.

All diagnostic tests, with the exception of a Glycohemoglobin Test, will be included in the cost of the medical evaluation. If the applicant/client's disability is due to diabetes, a Glycohemoglobin test may be additionally billed.

The successful bidder shall provide translation services in all languages at no cost to General Relief clients if the applicant/client's primary language is not English.

Medical Evaluations, including physical examinations and related diagnostic tests will be provided by a designated licensed Physician. Medical Evaluations may be conducted by a Physician's Assistant (PA) or Nurse Practitioner (NP) if the supervising Physician deems them to be competent and each for is reviewed and signed by the designated physician. The name(s) of the medical professional(s) performing services will be provided to DSS. In the event there are staffing changes, DSS will be notified within seven (7) days.

The medical provider will refer clients for whom mental health issues are identified to DSS designated mental health services.

Reporting Responsibilities:

1. Activity Reports: Successful bidders will be required to submit to the County via e-mail, reports which clearly document services provided and clients served.
2. Financial Reports: Successful bidders will be required to submit to the County via e-mail, monthly financial reports that include documentation of all claimed expenses and activities.

Staffing:

Include the proposed staff's current job descriptions and resumes as an appendix with submission.

Funding Period:

For the purpose of this RFP, the funding period is twelve (12) months, in Federal Fiscal Year 2013-14 beginning October 1, 2013 and ending September 30, 2014. Funding period may be extended for a total of four (4) additional years.

Funding Award:

The availability and level of funding is contingent upon funding sources and approval of the Fresno County Board of Supervisors.

Affordable Care Act:

DSS will assess the impacts associated with the Affordable Care Act (ACA), which will expand Medi-Cal eligibility. Major provisions of the ACA are expected to go into effect on January 1, 2014. It is anticipated that additional DSS clients will become eligible for Medi-Cal, which may result in a change in service and/or referrals. Pending ACA legislation will be monitored to determine how services provided in this Agreement will be affected and any significant changes to the delivery of services.

COST PROPOSAL

Bidders shall submit a cost proposal outlining the reimbursement amounts for medical evaluations, diagnostic tests, and interpreter services.

All diagnostic tests, with the exception of a Glycohemoglobin Test, will be included in the medical evaluation. If the disability is due to diabetes, a Glycohemoglobin test may be additionally billed.

The successful bidder will be reimbursed for services provided only and not for their overall budget or staffing. Therefore, the reimbursement amounts listed in the cost proposal are all inclusive. No-show appointments are not reimbursable.

The selected bidder shall submit reports and claims as stated in this RFP and proposed agreement in such form as may be required by DSS. All claims must be submitted by the 30th day of the month following the month of service. If selected bidder fails to submit claims for services provided under the terms of the proposed County agreement, the County, at its sole discretion, may deny payment for that month of service and disallow the claim.
