The County of Fresno on behalf of the Department of Child Support Services is requesting proposals from qualified vendors to provide paternity testing as outlined in Family Code Section 7550-7558.

The County of Fresno Department of Child Support Services is required to maintain a program for the enforcement of support and determination of paternity. The County's goal is to employ a laboratory that can provide objective evidence to assist the Department of Child Support Services in resolving paternity disputes.

In addition, the Department of Social Services (DSS) will have a need for a minimal amount of paternity testing services for their respective programs. The determination of paternity in DSS assists in the provision of Child Welfare Services.

PROPOSAL CONTENT REQUIREMENTS

It is important that the vendor submit his/her proposal in accordance with the format and instructions provided under this section. Doing so will facilitate the evaluation of the proposal. It will limit the possibility of a poor rating due to the omission or mis-categorization of the requested information. Responding in the requested format will enhance the evaluation team's item by item comparison of each proposal item. The vendor's proposal may be placed at a disadvantage if submitted in a format other than that identified below.

Bidders are requested to submit their proposals in a binder (one that allows for easy removal of pages) with index tabs separating the sections identified. Each page should be numbered.

Each binder is to be clearly marked on the cover with the proposal name, number, closing date, "Original" or "Copy", and bidder's name.

Merely offering to meet the specifications is insufficient and will not be accepted. Each bidder shall submit a complete proposal with all information requested. Supportive material may be attached as appendices. All pages, including the appendices, must be numbered.

Vendors are instructed not to submit confidential, proprietary and related information within the request for proposal. If you are submitting trade secrets, it must be submitted in a separate binder clearly marked "TRADE SECRETS", see Trade Secret Acknowledgement section.
