QUESTIONS AND ANSWERS

Q1. If the contract is for 3 years with a possible 2 year extension, should we provide budgets for 3 years?

A1. Please provide budgets for the 5-year term.

Q2. Regarding minimum duration and intensity, group sessions must include 2 to 12 sessions per week?

A2. 2 to 12 refers to the size of group sessions per counselor. There must be a minimum of 20 hours of substance use disorder-focused face-to-face individual and group activity for each participant from Mondays through Fridays and a minimum of 6 hours of face-to-face individual and group activity scheduled on Saturdays and/or Sundays.

Q3. Are outcomes addressed?

A3. Yes, outcomes will be measured at intake, discharge, and post-treatment (one-year follow-up) and will include abstinence from substance use, criminal involvement, employment status, Child Protective Services involvement, social support, and treatment of co-occurring disorders.

Q4. Under Key Staffing, it says that a Bachelor's degree is required for program director and clinical supervisor positions. Will this be standard?

A4. Yes, this has been a requirement for a while. Any deviation would require County input and approval before an individual could provide services in either capacity.

Q5. The annual funding amount may cause a reduction in bed days from previous years, would this be acceptable?

A5. The number of bed days in your response should be realistic. We would like an accurate picture of costs so please be realistic in your estimate.
