SCOPE OF WORK

The County of Fresno hereby solicits bids for private process server services. If a contract is awarded by the County for any of such services, they would be provided on a **non-exclusive** basis.

The process involved would be civil process including, but not limited to, summons and complaints, Orders to Show Cause (OSC's), Orders to Appear for Examination (OX's), subpoenas duces tecum, and other legal documents. The volume of service of process can reach in excess of one thousand (1,000) individual serves per month. Included in such volume are "rush" serves that must be completed within 24 to 48 hours, which can reach between 25-50 serves per month. The County does not guarantee a minimum level of service. The quantities stated herein are estimated, actual quantities may be less than or greater than stated. The vendor's proposed pricing must allow for all usage levels and should not assume a minimum level of service.

The term of the contract is three years, to start in April 2015, with the potential for two additional one year renewals.

This Request for Proposal (RFP) divides the desired services into various groups of County user departments. The current estimated volume of process serving services experienced by principal County user departments is as follows:

Group I Fresno County Department of Child Support Services (DCSS):

Estimated 10,000 individual serves per year. The documents for service will need to be picked up daily at 2220 Tulare Street, Fresno, CA 93721.

Approximately 20-35% of the foregoing serves need to be forwarded by the current contractor to out-of-town, out of County, out of State process servers.

Group II Probation Department Process Serving:

Estimated 275 individual serves per year, (Notice of Hearing/Petition). The documents for service will need to be picked up and delivered to 3333 E. American Avenue, Fresno, CA 93725 on an as needed basis. Pick up will be as needed and is estimated to be two to three times per week. Actual pick-up and delivery could vary due to volume and/or deadlines. The vendor will be notified via telephone or email when documents are ready.

Group III Department of Social Services:

Estimated 500 individual serves per year. The documents for service will need to be picked up and delivered to 2135 Fresno Street, Fresno, CA 93721.

Group IV Out-Of-State Persons to Be Served By Any County User Department:

(These serves may be included in estimates of the above-mentioned user departments. However, the County desires to seek the services of a qualified vendor who is able to provide this specialized type of service).

Estimated 200 individual serves per year.

Return of Service/Non-Service Documentation:

Departments will have a cover/face sheet attached to the documents to be served. The cover sheet will contain the deadline date by which the Department needs to be notified and/or documents returned as non-served. If and when service is made, the proofs of service are prepared and returned within five days after last possible date of service. A fee of \$25.00 per service will be charged to the vendor for late notification of the documents being served or non-served past the noted deadline date. This fee will either be deducted from the next invoice or billed to the vendor.

The vendor will be required to provide process serving services in compliance with all laws, including California Code of Civil Procedure. County will not pay on non-serves and will not pay for subservice unless appropriate certificate of diligence is provided.

Current service provider information:

The vendor currently being used is Bull Dog Attorney Services, LLC. and their current flat rate for process service by the vendor is twenty dollars (\$20) per individual or entity successfully served in the local communities. This flat rate is adjusted upward based on increased gas prices and downward for subsequent gas price reductions.

PROPOSAL CONTENT REQUIREMENTS

It is important that the vendor submit his/her proposal in accordance with the format and instructions provided under this section. Doing so will facilitate the evaluation of the proposal. It will limit the possibility of a poor rating due to the omission or mis-categorization of the requested information. Responding in the requested format will enhance the evaluation team's item by item comparison of each proposal item. The vendor's proposal may be placed at a disadvantage if submitted in a format other than that identified below.

Bidders are requested to submit their proposals in a binder (one that allows for easy removal of pages) with index tabs separating the sections identified. Each page should be numbered.

Each binder is to be clearly marked on the cover with the proposal name, number, closing date, "Original" or "Copy", and bidder's name.

Merely offering to meet the specifications is insufficient and will not be accepted. Each bidder shall submit a complete proposal with all information requested. Supportive material may be attached as appendices. All pages, including the appendices, must be numbered.

Vendors are instructed not to submit confidential, proprietary and related information within the request for proposal. If you are submitting trade secrets, it must be submitted in a separate binder clearly marked "TRADE SECRETS", see Trade Secret Acknowledgement section.
