

Instructions to the Applicant

- The information you provide in this Personal History Statement will be used in the background investigation to assist in determining your suitability for the position of **California Peace Officer**, in accordance with POST Regulation 9053.
- Type or neatly print, in ink, responses to all items and questions. If a question does not apply to you, write "N/A" (not applicable) in the space provided for your response. If you cannot obtain or remember certain information, indicate so in your response.
- If you need more space for any response, use the last page of this form (page 25) and identify the additional information by the question number.

Disqualification

There are very few **automatic** bases for rejection. Even issues of prior misconduct, such as prior illegal drug use, driving under the influence, theft or even arrest or conviction are usually not, in and of themselves, automatically disqualifying. However, deliberate misstatements or omissions can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-relevant information from their prospective employer.

BOTTOM LINE: Be as complete, honest and specific as possible in your responses.

Disclosure of Medically-Related Information

In accordance with the U.S. Americans with Disabilities Act and the California Fair Employment and Housing Act, at this stage of the hiring process applicants are not expected or required to reveal any medical or other disability-related information about themselves in response to questions on this form, or to any other inquiry made prior to receiving a conditional offer of employment.
