QUESTIONS AND ANSWERS

Q1. Please address if any price increase request are allowed during the initial term and the renewal periods.

A1. Price increases are generally not allowed during the term of the contract which is three (3) years.

Q2. Also, will the County assume responsibility for loss or theft of equipment while under their supervision?

A2. Though we do have coverage protecting County equipment from loss as a result of theft, typically, we prefer the vendor is responsible for a loss of equipment. However, there could be language in agreements distinguishing between different causes of loss, i.e. theft as a result of County employee negligence, in which the County could be held liable.
