IMPORTANT: PLEASE READ BELOW		
<p>The County offers rapid antigen testing as its primary form of testing. If an employee tests “positive” or “inconclusive” they will be contacted by the vendor and will need to return to the testing site for a PCR test to confirm the results. PCR tests will not be available on request.</p> <p>Register at My Test Results prior to arriving at the testing site. All testing sites will be utilizing the app. Forms are no longer required to be brought to the test site.</p>		

Testing Site Instructions
