

AGREEMENT

This agreement is dated August 1, 2018, and is between LIFE SAVING IMAGES, a California corporation doing business at 830 Stewart Drive, Suite 180, Sunnyvale, California 94085 (“**Contractor**”), and the SAN JOAQUIN VALLEY INSURANCE AUTHORITY, a joint powers agency (“**SJVIA**”).

The SJVIA is a joint exercise of powers authority that negotiates, purchases, or otherwise funds health, pharmacy, vision, dental, and life insurance (each an “Insurance Program,” and collectively “Insurance Programs”). The SJVIA makes Insurance Programs available to participating entities, subject to the terms and conditions of an agreement by each participating entity to pay for its respective costs for the Insurance Programs in which it participates.

The SJVIA wishes to provide medical management services, including mammography screening, to its participating entities. The Contractor represents that it is willing and able to provide such services on the terms and conditions set forth in this agreement.

The parties therefore agree as follows:

Article 1 Contractor’s Obligations

1.1 **Scope of Services.** The Contractor shall provide the services described in Exhibit A to this agreement, which is attached. Exhibit A also includes definitions for some terms that appear in this agreement.

1.2 **Additional Services.** The Contractor may provide additional services as the SJVIA and the Contractor mutually agree in writing.

1.3 **Cooperation with Management.** The Contractor shall at all times cooperate with SJVIA management, which includes the SJVIA Manager, the SJVIA Assistant Manager, the SJVIA Auditor-Treasurer, any employee of the County of Fresno or the County of Tulare who is designated by one of those persons to administer the business and activities of the SJVIA, and counsel to the SJVIA. That cooperation includes reporting promptly to the SJVIA Auditor-Treasurer any material oral or written communications received by the Contractor from a participating entity, prospective participating entity, or contractor of the SJVIA.

1.4 **Confidentiality.** The Contractor acknowledges that certain confidential information may be furnished by the SJVIA to the Contractor in connection with the services provided by the Contractor under this agreement (“Confidential Information”). The Contractor agrees that it will disclose Confidential Information only to persons who, in the Contractor’s reasonable determination, need to know such information in order for the Contractor to provide services under this agreement. Disclosure by the Contractor of any Confidential Information pursuant to the terms of a valid and effective subpoena or order issued by a court of competent jurisdiction, judicial or administrative agency, or by a legislative body or committee is not a violation of this agreement. Confidential Information does not include information that:

(A) Is in the possession of the Contractor prior to its receipt of such information from the SJVIA;

(B) Is or becomes publicly available other than as a result of a breach of this agreement by the Contractor; or

(C) Is or can be independently acquired or developed by the Contractor without violating any of its obligations under this agreement.

1.5 **Compliance with Laws.** The Contractor shall, at its own cost, comply with all applicable federal, state, and local laws in performance of its services under this agreement, including but not limited to workers compensation, labor, and confidentiality laws and regulations.

Article 2 SJVIA's Obligations

2.1 **Information and Data.** Subject to the terms of this agreement, the SJVIA will provide the Contractor with data and information that is necessary to the Contractor's provision of services under this agreement.

2.2 **Facilities.** The SJVIA shall advise each Participating Entity that receives medical management services from the Contractor that, in order to receive those services, the Participating Entity must provide access to adequate facilities for the Contractor to perform those services on dates agreed upon by the SJVIA and the Contractor.

Article 3 Compensation, Invoices, and Payments

3.1 **Compensation.** The SJVIA agrees to pay to its insurer, and the Contractor agrees to receive from the SJVIA's insurer, compensation as described in Exhibit B to this agreement, which is attached.

3.2 **Invoices.** The Contractor shall submit monthly invoices as described in Exhibit B to this agreement to the SJVIA's insurer.

3.3 **Payment.** The Contractor will receive payment from the SJVIA's insurer, which will then bill the SJVIA. The SJVIA shall pay all amounts billed to the SJVIA by its insurer. If the SJVIA reasonably disputes any invoice, the SJVIA shall have no obligation to pay that invoice until the dispute is resolved to the SJVIA's satisfaction.

3.4 **Incidental Expenses.** The Contractor is solely responsible for all expenses that are incidental to its performance under this agreement, including but not limited to all out-of-pocket expenses.

Article 4
Term and Termination

4.1 **Term.** This agreement is effective on August 1, 2018, and terminates on June 30, 2019. The term of this agreement may be extended for no more than two additional one-year terms by modification as provided in section 11.1 of this agreement.

4.2 **Termination for Non-Allocation of Funds.** Both parties' obligations under this agreement are contingent on the approval of funds by the appropriating government agency or agencies. If sufficient funds are not allocated, then the SJVIA, upon 30 days advance written notice to the Contractor, may:

- (A) Modify either or both of the parties' obligations under this agreement; or
- (B) Terminate this agreement.

4.3 **Termination for Breach; Reinstatement.**

(A) Upon determining that a breach (as defined below) has occurred, the SJVIA Manager may give written notice of the breach to the Contractor. The written notice may suspend performance under this agreement, and shall provide a reasonable time for the Contractor to cure the breach.

(B) If the Contractor fails to cure the breach within the reasonable time stated in the written notice, the SJVIA may terminate this agreement.

(C) For purposes of this section, a breach occurs when the Contractor has:

- (1) Used funds illegally or improperly;
- (2) Failed to comply with any part of this agreement;
- (3) Submitted a substantially incorrect or incomplete report to the SJVIA; or
- (4) Performed improperly as determined by the SJVIA.

4.4 **Termination for HIPAA Violation.** The SJVIA may terminate this agreement as provided in Article 8 of this agreement.

4.5 **Termination without Cause.** In circumstances other than those set forth above, the SJVIA may terminate this agreement by giving 30 days advance written notice to the Contractor.

Article 5
Independent Contractor

5.1 **Status.** In performing under this agreement, the Contractor, including its officers, agents, and employees, is at all times acting and performing as an independent contractor, in an independent capacity, and not as an officer, agent, servant, employee, joint venturer, partner, or associate of the SJVIA.

5.2 **Supervision.** The SJVIA has no right to control, supervise, or direct the manner or method of the Contractor's performance under this agreement, but the SJVIA may verify that the Contractor is performing according to the terms and conditions of this agreement (for example by requesting records of communications under section 1.5 of this agreement).

5.3 **Benefits.** Because of its status as an independent contractor, the Contractor has no right to employment rights or benefits. The Contractor is solely responsible for providing to its own employees all employee benefits required by law. The Contractor shall save the SJVIA harmless from all matters relating to the payment of the Contractor's employees, including compliance with Social Security withholding and all related regulations.

Article 7

Audits, Inspections, and Public Records

7.1 On-Site Audits and Inspections. The Contractor shall at any time during business hours, and as often as the SJVIA may deem necessary for any reason, make available to the SJVIA for examination all of its records and data with respect to the matters covered by this agreement.

7.2 Document Requests. The Contractor shall at any time, and as often as the SJVIA may deem necessary for any reason, provide copies of any records or data with respect to the matters covered by this agreement as the SJVIA may request.

7.3 Public Records Act Requests. The notification shall be in writing, which may include but is not limited to email addressed to the appropriate key person or persons. Upon receiving that notification, the Contractor has five business days in which to provide responsive documents, use the procedure provided in section 7.4 of this agreement, or both. The Contractor shall promptly inform the SJVIA if the Contractor believes that five business days are not sufficient time in which to respond. The Contractor shall indemnify the SJVIA for any award of costs or attorney's fees under the CPRA that results from the Contractor's use of the procedure provided in section 7.4 of this agreement.

7.4 Withholding and Redacting. If the SJVIA for any reason requests any records, data, or documents from the Contractor and the Contractor believes that the responsive documents contain trade secrets, proprietary information, or other information that is subject to legal privilege or separate legally-enforceable obligation of the Contractor to withhold, then the Contractor may do the following:

(A) The Contractor may redact the records or data before providing them, if that is practicable, or withhold the records or data if redaction is not practicable.

(B) If the Contractor redacts or withholds any documents, it shall provide a privilege log describing what has been redacted or withheld and identifying the legal privilege or legally-enforceable obligation that is the reason for the redaction or withholding.

(C) If the SJVIA requests documents because of a CPRA request and the Contractor redacts or withholds any documents, the Contractor shall also identify the specific provision of the CPRA (by citation to the California Government Code) which the Contractor believes would authorize the SJVIA to redact or withhold the documents requested.

7.5 State Audit Requirements. If this agreement exceeds \$10,000, the Contractor is subject to the examination and audit of the California State Auditor, as provided in Government Code section 8546.7, for a period of three years after final payment under this agreement. The obligations under this section survive the termination of this agreement.

7.6 Ownership of Records.

(A) All documents, information, and data delivered by the SJVIA or its health benefits consultant to the Contractor, or which is created by either party for the SJVIA in connection with the performance of this agreement, shall be the exclusive property of the SJVIA.

(B) Upon expiration, termination, or cancellation of this agreement, the Contractor shall return all such records and files to the SJVIA unless the SJVIA requests the Contractor to process any work or file in progress, which the Contractor will continue to process on a time and expense basis or as mutually agreed by the parties in writing. When such work is completed, all records and files relating to the work shall be returned to the SJVIA, and the Contractor shall not later access any data relating to this agreement except for the purpose of its performance under this agreement.

Article 8
Health Insurance Portability and Accountability Act

8.1 The parties shall be in strict conformance with all applicable federal and State of California laws and regulations, including but not limited to: Sections 5328, 10850, and 14100.2 et seq. of the California Welfare and Institutions Code; Sections 2.1 and 431.300 et seq. of Title 42, Code of Federal Regulations (CFR); Section 56 et seq. of the California Civil Code; Sections 11977 and 11812 of Title 22 of the California Code of Regulations; the Health Insurance Portability and Accountability Act, as amended, including but not limited to Section 1320 D et seq. of Title 42, United States Code, and its implementing regulations, including but not limited to Title 45, CFR, Parts 142, 160, 162, and 164 (collectively, HIPAA); the Health Information Technology for Economic and Clinical health Act, as amended (HITECH), regarding the confidentiality and security of patient information; and the Genetic Information Nondiscrimination Act of 2008, as amended (GINA), regarding the confidentiality of genetic information.

8.2 Except as otherwise provided in this agreement, the Contractor, as a business associate of the SJVIA, may use or disclose Protected Health Information (PHI) to perform functions, activities, or services for or on behalf of the SJVIA, as specified in this agreement provided that such use or disclosure does not violate HIPAA. The uses and disclosures of PHI may not be more expansive than those applicable to SJVIA, as the covered entity under the

HIPAA Privacy Rule (45 CFR § 164.500 et seq.), except as authorized for management, administrative, or legal responsibilities of the business associate.

8.3 The Contractor, including its authorized subcontractors and employees, shall protect from unauthorized access, use, or disclosure the names and other identifying information, including genetic information, concerning persons receiving services under the Insurance Programs, except where permitted in order to carry out data aggregation for purposes of health care operations (45 CFR §§ 164.504(e)(2)(i), 164.504(e)(2)(ii)(A), and 164.504(e)(4)(i)). This requirement applies to electronic PHI. The Contractor shall not use such identifying information or genetic information for any purpose other than carrying out the Contractor's obligations under this agreement.

8.4 The Contractor, including its authorized subcontractors and employees, shall not disclose any such identifying information or genetic information to any person or entity, except as otherwise specifically permitted by this agreement, authorized by Subpart E of 45 CFR Part 164 or other law, required by the Secretary, or authorized by the client or patient in writing. In using or disclosing PHI that is permitted by this agreement or authorized by law, the Contractor shall make reasonable efforts to limit PHI to the minimum necessary to accomplish the intended purpose of the use, disclosure, or request.

8.5 For the purposes of the above sections, identifying information includes, but is not limited to, name, identifying number, symbol, or other identifying particular assigned to an individual, such as a finger- or voiceprint, or photograph.

8.6 For purposes of the above sections, genetic information includes, but is not limited to, genetic tests of an individual or family members of the individual, manifestation of disease or disorder of an individual or family members of the individual, or any request for or receipt of genetic services by an individual or family members of the individual. Family member means a dependent or any person who is a first, second, third, or fourth degree relative.

8.7 At the request of the SJVIA, and in the time and manner specified by the SJVIA, the Contractor shall provide, to the SJVIA or to an individual, PHI in a designated record set (as defined in 45 CFR § 164.501) in order to meet the requirements of 45 CFR § 164.524 regarding access by individuals to their PHI. With respect to individual requests, the Contractor shall provide access within 30 days of the request. That deadline may be extended if the Contractor cannot provide access and provides the reasons for the delay and the reasonable date when access may be granted. The Contractor shall provide PHI in the form and format requested by the SJVIA or the individual.

8.8 The Contractor shall make amendment or amendments to PHI in a designated record set in accordance with 45 CFR § 164.526.

8.9 The Contractor shall provide to the SJVIA or to an individual, in the time and manner specified by the SJVIA, information collected in accordance with 45 CFR § 164.528, to permit the SJVIA to respond to a request by the individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528.

8.10 The Contractor shall, immediately and without unreasonable delay and in no case later than two business days after discovery, report to the SJVIA's Privacy Officer, in writing, any knowledge or reasonable belief that there has been unauthorized access, viewing, use, disclosure, security incident, or breach of unsecured PHI not permitted by this agreement of which it becomes aware. The notification shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, used, disclosed, or breached. The Contractor shall take prompt corrective action to cure any deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and State of California laws and regulations. The Contractor shall investigate such breach and is responsible for all notifications required by law, regulation, or both, or deemed necessary by the SJVIA, and shall provide a written report of the investigation and reporting required to the SJVIA's Privacy Officer. This written investigation and description of any reporting necessary shall be postmarked as mailed to the SJVIA's Privacy Officer within 30 working days of the discovery of the breach.

8.11 The Contractor shall make its internal practices, books, and records relating to the use and disclosure of PHI received from SJVIA, or created or received by the Contractor on behalf of the SJVIA, in compliance with the HIPAA Privacy Rule, including but not limited to the requirements set forth in 45 CFR Parts 160 and 164. The Contractor shall make its internal practices, books, and records relating to the use and disclosure of PHI received from the SJVIA, or created or received by the Contractor on behalf of the SJVIA, available to the United States Department of Health and Human Services upon demand.

8.12 The Contractor shall cooperate with the compliance and investigation reviews conducted by the Secretary. The Contractor must provide PHI access to the Secretary during the Contractor's normal business hours, but upon exigent circumstances shall also grant access at any time. Upon the Secretary's compliance or investigation review, if PHI is unavailable to the Contractor and in possession of a subcontractor, the Contractor must certify to the Secretary its efforts to obtain the information.

8.13 **Safeguards.** The Contractor shall implement administrative, physical, and technical safeguards as required by the HIPAA Security Rule, Subpart C of 45 CFR Part 164, that reasonably and appropriately protects the confidentiality, integrity, and availability of PHI, including electronic PHI, that it creates, receives, maintains or transmits on behalf of the SJVIA and to prevent unauthorized access, viewing, use, disclosure, or breach of PHI other than as provided for by this agreement. The Contractor shall conduct an accurate and thorough assessment of the potential risks and vulnerabilities to the confidential, integrity and availability of electronic PHI. The Contractor shall develop and maintain a written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Contractor's operations and the nature and scope of its activities. Upon the SJVIA's request, the Contractor shall provide the SJVIA with information concerning such safeguards.

8.14 **Security Safeguards and Precautions.** The Contractor shall implement strong access controls and other security safeguards and precautions in order to restrict logical and physical access to confidential, personal (e.g., PHI) or sensitive data to authorized users only.

8.15 **Password Controls.** Those safeguards and precautions shall include the following administrative and technical password controls for all systems used to process or store confidential, personal, or sensitive data.

(A) Passwords must not be:

(1) Shared or written down where they are accessible or recognizable by anyone else; such as taped to computer screens, stored under keyboards, or visible in a work area;

(2) A dictionary word; or

(B) Continuously updated anti-virus software; and

(C) Patch management process including installation of all operating system/software vendor security patches.

8.17 **Encryption.** The Contractor shall use a commercial encryption solution that has received FIPS 140-2 validation to encrypt all confidential, personal, or sensitive data stored on portable electronic media (including, but not limited to, compact disks and thumb drives) and on portable computing devices (including, but not limited to, laptop and notebook computers).

8.18 **Data Transmission.** The Contractor shall not transmit confidential, personal, or sensitive data via e-mail or other internet transport protocol unless the data is encrypted by a solution that has been validated by the National Institute of Standards and Technology (NIST)

as conforming to the Advanced Encryption Standard (AES) Algorithm. The Contractor must apply appropriate sanctions against its employees who fail to comply with these safeguards. The Contractor must adopt procedures for terminating access to PHI when employment of employee ends.

8.19 Mitigation of Harmful Effects. The Contractor shall mitigate, to the extent practicable, any harmful effect that is suspected or known to the Contractor of an unauthorized access, viewing, use, disclosure, or breach of PHI by the Contractor or its subcontractors in violation of the requirements of this Article 8. The Contractor must document suspected or known harmful effects and the outcome of any mitigation.

8.20 Contractor's Subcontractors. The Contractor shall ensure that each of its contractors, including subcontractors, if applicable, to whom the Contractor provides PHI received from or created or received by the Contractor from or on behalf of the SJVIA, agrees to the same restrictions, safeguards, and conditions that apply to the Contractor with respect to such PHI and to incorporate, when applicable, the relevant provisions of these provisions into each subcontract or sub-award to such agents or subcontractors.

8.21 Employee Training and Discipline. The Contractor shall train and use reasonable measures to ensure compliance with the requirements of the provisions of this Article 8 by employees who assist in the performance of functions or activities on behalf of the SJVIA under this agreement and use or disclose PHI and discipline such employees who intentionally violate any provisions of these provisions, including termination of employment.

8.22 Termination for Breach. Upon the SJVIA's knowledge of a material breach of these provisions by the Contractor, the SJVIA shall either:

(A) Provide an opportunity for the Contractor to cure the breach or end the violation, and terminate this agreement if the Contractor does not cure the breach or end the violation within the time specified by the SJVIA; or

(B) Immediately terminate this agreement if the Contractor has breached a material term of these provisions and cure is not possible.

(C) If neither cure nor termination is feasible, the SJVIA's Privacy Officer shall report the violation to the Secretary.

8.23 Termination after Judicial or Administrative Proceedings. The SJVIA may terminate this agreement if: (1) the Contractor is found guilty in a criminal proceeding for a violation of the HIPAA Privacy or Security Laws or the HITECH Act; or (2) there is a finding or stipulation that the Contractor has violated a privacy or security standard or requirement of the HITECH Act, HIPAA, or other security or privacy laws in an administrative or civil proceeding in which the Contractor is a party.

8.24 Obligations upon Termination. Upon termination or expiration of this agreement for any reason, the Contractor shall return or destroy all PHI received from the SJVIA (or created or received by the Contractor on behalf of SJVIA) that the Contractor still maintains in any form,

and shall retain no copies of such PHI. If return or destruction of PHI is not feasible, the Contractor shall continue to extend the protections of these provisions to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. This provision applies to PHI that is in the possession of subcontractors or agents, if applicable, of the Contractor. If the Contractor destroys the PHI data, the Contractor shall provide to the SJVIA a certification of date and time of destruction

8.25 **Disclaimer.** The SJVIA makes no warranty or representation that compliance by the Consultant with the provisions of this Article 8, HIPAA, or HITECH will be adequate or satisfactory for the Contractor's own purposes or that any information in the Contractor's possession or control, or transmitted or received by the Contractor, is or will be secure from unauthorized access, viewing, use, disclosure, or breach. The Contractor is solely responsible for all decisions made by the Contractor regarding the safeguarding of PHI.

8.26 **Amendment.** The parties acknowledge that federal and state laws relating to electronic data security and privacy are rapidly evolving and that amendment of these provisions may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to amend this agreement in order to implement the standards and requirements of HIPAA, HITECH, and other applicable laws relating to the security or privacy of PHI. The SJVIA may terminate this agreement upon 30 days written notice if the Contractor does not enter into an amendment providing assurances regarding the safeguarding of PHI that the SJVIA in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and HITECH.

8.27 **Interpretation.** The terms of this Article 8 shall be interpreted as broadly as necessary to implement and comply with HIPAA and applicable State of California laws. The parties agree that any ambiguity in the terms and conditions of these provisions shall be resolved in favor of a meaning that complies and is consistent with HIPAA.

8.28 **Regulatory References.** Any reference in this agreement to a law or regulation means the law or regulation as in effect or as amended.

8.29 **Survival.** The obligations of the Contractor as provided in this Article 8 survive the termination or expiration of this agreement.

Article 11 General Provisions

11.1 Modification. This agreement may not be modified, and no waiver is effective, except by another written agreement that is signed by both parties.

The Contractor consents to California jurisdiction for actions arising from or related to this agreement, and, subject to the Government Claims Act, all such actions must be brought and maintained in the Fresno County Superior Court.

11.5 **Construction.** The final form of this agreement is the result of the parties' combined efforts. If anything in this agreement is found by a court of competent jurisdiction to be ambiguous, that ambiguity is to be resolved by construing the terms of this agreement according to their generally accepted meaning, and not by construing the terms of this agreement for or against either party.

11.6 **Headings.** The headings and section titles in this agreement are for convenience only and are not part of this agreement.

11.7 **Severability.** If anything in this agreement is found by a court of competent jurisdiction to be unlawful or otherwise unenforceable, the balance of this agreement remains in effect.
