SJVIA Board Meeting: Consultant’s Report - COVID-19 Report

At the last Board meeting the SJVIA Board requested a report on COVID-19 impact on the SJVIA. Keenan reached out to both Anthem and Kaiser to request the data. Anthem provided data from January 1, 2020 through June 30, 2021. Kaiser provided data from March 1, 2020 through February 28, 2021. Kaiser could not breakout County of Tulare data since the County has less than 150 employees enrolled in Kaiser. Anthem and Kaiser’s reports varied from each other. Keenan attempted to summarize data to provide a consistent report.

COVID-19 Testing

The SJVIA has spent \$669,014 in COVID-19 testing on 7,704 claimants. The cost per claim averaged \$86.84.
