### 12 **Termination and Suspension**

### 19 **6.2 Termination for Breach.**

20 (A) Upon determining that a breach (as defined in paragraph (C) below) has

21 relates to the performance or failure to perform by the Contractor (or any of its officers, agents,

25  
26

1 **Article 9**

19 M. Brown Act (California Government Code, Title 5, Division 2, Part 1, Chapter 9, beginning with  
20 section 54950). This Agreement, and any record or data that the Contractor may provide to the

7 specifically permitted by this Agreement, authorized by Subpart E of 45 CFR Part 164 or other  
8 law, required by the Secretary, or authorized by the client/patient in writing. In using or

18 family members. Family member means a dependent or any person who is first, second, third,  
19 or fourth degree relative.

20 12.7 The Contractor shall provide access, at the request of SJVIA, and in the time and  
21 manner designated by the SJVIA, to PHI in a designated record set (as defined in 45 CFR

10 to the Contractor and in possession of a subcontractor, it must certify efforts to obtain the  
11 information to the Secretary.

12 12.11 **Safeguards.**

13 (A) The Contractor shall implement administrative, physical, and technical  
14 safeguards as required by the HIPAA Security Rule, Subpart C of 45 CFR Part 164, that  
15 reasonably and appropriately protects the confidentiality, integrity, and availability of PHI,  
16 including electronic PHI, that it creates, receives, maintains or transmits on behalf of  
17 SJVIA and to prevent unauthorized access, viewing, use, disclosure, or breach of PHI  
18 other than as provided for by this Agreement. The Contractor shall conduct an accurate  
19 and thorough assessment of the potential risks and vulnerabilities to the confidentiality,  
20 integrity and availability of electronic PHI. The Contractor shall develop and maintain a  
21 written information privacy and security program that includes administrative, technical  
22 and physical safeguards appropriate to the size and complexity of the Contractor's  
23 operations and the nature and scope of its activities. Upon the SJVIA's request, the  
24 Contractor shall provide the SJVIA with information concerning such safeguards.

25 (B) CONTRACTOR shall implement strong access controls and other security  
26 safeguards and precautions in order to restrict logical and physical access to

1 confidential, personal (e.g., PHI) or sensitive data to authorized users only. Said  
2 safeguards and precautions shall include the following administrative and technical  
3 password controls for all systems used to process or store confidential, personal, or  
4 sensitive data:

5 portable electronic media (including, but not limited to, compact disks and thumb drives)  
6 and on portable computing devices (including, but not limited to, laptop and notebook  
7 computers).

8 (E) The Contractor shall not transmit confidential, personal, or sensitive data via e-  
9 mail or other internet transport protocol unless the data is encrypted by a solution that  
10 has been validated by the National Institute of Standards and Technology (NIST) as  
11 conforming to the Advanced Encryption Standard (AES) Algorithm. The Contractor must  
12 apply appropriate sanctions against its employees who fail to comply with these  
13 safeguards. The Contractor must adopt procedures for terminating access to PHI when  
14 employment of employee ends.

15 **12.12 Mitigation of Harmful Effects.** The Contractor shall mitigate, to the extent  
16 practicable, any harmful effect that is suspected or known to the Contractor of an unauthorized  
17 access, viewing, use, disclosure, or breach of PHI by the Contractor or its subcontractors in  
18 violation of the requirements of these provisions. The Contractor must document suspected or  
19 known harmful effects and the outcome.

20 **12.13 Contractor's Subcontractors.** The Contractor shall ensure that any of its  
21 contractors, including subcontractors, if applicable, to whom the Contractor provides PHI  
22 received from or created or received by the Contractor on behalf of SJVIA, agree to the same  
23 restrictions, safeguards, and conditions that apply to the Contractor with respect to such PHI  
24 and to incorporate, when applicable, the relevant provisions of these provisions into each  
25 subcontract or sub-award to such agents or subcontractors.

1       **12.14 Employee Training and Discipline.** The Contractor shall train and use reasonable  
2 measures to ensure compliance with the requirements of these provisions by employees who  
3 assist in the performance of functions or activities on behalf of SJVIA under this Agreement and  
4 use or disclose PHI and discipline such employees who intentionally violate any provisions of  
5 these provisions, including termination of employment.

6       **12.15 Termination for Cause.** Upon the SJVIA's knowledge of a material breach of this  
7 Article 12 by the Contractor, the SJVIA shall either:

8           (A) Provide an opportunity for the Contractor to cure the breach or end the violation  
9 and terminate this Agreement if the Contractor does not cure the breach or end the  
10 violation within the time specified by SJVIA; or

11           (B) Immediately terminate this Agreement if the Contractor has breached a material  
12 term of these provisions and cure is not possible.

13           If neither cure nor termination is feasible, the SJVIA's Privacy Officer shall report the  
14 violation to the Secretary.

15       **12.16 Judicial or Administrative Proceedings.** The SJVIA may terminate this Agreement  
16 in accordance with the provisions of this Agreement if:

17           (A) The Contractor is found guilty in a criminal proceeding for a violation of the  
18 HIPAA Privacy or Security Laws or the HITECH Act; or

19           (B) There is a finding or stipulation that the Contractor has violated a privacy or  
20 security standard or requirement of the HITECH Act, HIPAA or other security or privacy  
21 laws in an administrative or civil proceeding in which the Contractor is a party.

22       **12.17 Effect of Termination.** Upon termination or expiration of this Agreement for any  
23 reason, the Contractor shall return or destroy all PHI received from SJVIA (or created or  
24 received by the Contractor on behalf of the SJVIA) that the Contractor still maintains in any  
25 form, and shall retain no copies of such PHI. If return or destruction of PHI is not feasible, it shall  
26 continue to extend the protections of these provisions to such information, and limit further use

1 of such PHI to those purposes that make the return or destruction of such PHI infeasible. This  
2 provision shall apply to PHI that is in the possession of subcontractors or agents, if applicable,  
3 of the Contractor. If the Contractor destroys the PHI data, a certification of date and time of  
4 destruction shall be provided to the SJVIA by the Contractor.

5       **12.18 Disclaimer.** The SJVIA makes no warranty or representation that compliance by the  
6 Contractor with these provisions, the HITECH Act, HIPAA or the HIPAA regulations will be  
7 adequate or satisfactory for the Contractor's own purposes or that any information in the  
8 Contractor's possession or control, or transmitted or received by the Contractor, is or will be  
9 secure from unauthorized access, viewing, use, disclosure, or breach. The Contractor is solely  
10 responsible for all decisions made by the Contractor regarding the safeguarding of PHI.

11       **12.19 Amendment.** The parties acknowledge that federal and State laws relating to  
12 electronic data security and privacy are rapidly evolving and that amendment of this Agreement  
13 may be required to provide for procedures to ensure compliance with such developments. The  
14 parties specifically agree to take such action as is necessary to amend this Agreement in order  
15 to implement the standards and requirements of HIPAA, the HIPAA regulations, the HITECH  
16 Act and other applicable laws relating to the security or privacy of PHI. The SJVIA may  
17 terminate this Agreement upon 30 days' written notice if the Contractor does not enter into an  
18 amendment providing assurances regarding the safeguarding of PHI that the SJVIA in its sole  
19 discretion, deems sufficient to satisfy the standards and requirements of HIPAA, the HIPAA  
20 regulations and the HITECH Act.

22 conditions of these provisions is intended to confer, nor shall anything herein confer, upon any  
23 person other than the SJVIA or the Contractor and their respective successors or assigns, any  
24 rights, remedies, obligations or liabilities whatsoever.

25       **12.21 Interpretation.** The provisions of this Article 12 shall be interpreted as broadly as  
26 necessary to implement and comply with HIPAA, the HIPAA regulations and applicable State

1 laws. The parties agree that any ambiguity in the provisions of this Article 12 shall be resolved in  
2 favor of a meaning that complies and is consistent with HIPAA and the HIPAA regulations.

3 **12.22 Regulatory References.** A reference in the provisions of this Article 12 to a section  
4 in the HIPAA regulations means the section as in effect or as amended.

5 **12.23 Survival.** The provisions of this Article 12 survive the termination or expiration of this  
6 Agreement.

7 **12.24 No Waiver of Obligations.** No change, waiver or discharge of any liability or  
8 obligation under this Article 12 on any one or more occasions shall be deemed a waiver of  
9 performance of any continuing or other obligation, or shall prohibit enforcement of any obligation  
10 on any other occasion.

11 **12.25 Definitions.** For the purposes of this Article 12:

16 **13.1 Modification.** This Agreement may not be modified, and no waiver is effective,  
17 except by another written agreement that is signed by both parties.

18 **13.2 Non-Assignment.** Neither party may assign rights or delegate its obligations under  
19 this Agreement without the prior written consent of the other party.

20 **13.3 Governing Law.** The laws of the State of California govern all matters arising from  
21 or related to this Agreement.

22 **13.4 Jurisdiction and Venue.** This Agreement is signed and performed in Fresno  
23 County, California. Contractor consents to California jurisdiction for actions arising from or  
24 related to this Agreement, and, subject to the Government Claims Act, all such actions must be  
25 brought and maintained in the Fresno County Superior Court.

26

1       13.5   **Construction.** The final form of this Agreement is the result of the parties' combined  
2 efforts. If anything in this Agreement is found by a court of competent jurisdiction to be  
3 ambiguous, that ambiguity shall not be resolved by construing the terms of this Agreement  
4 against either party.

5       13.6   **Headings.** The headings and section titles in this Agreement are for convenience  
6 only and are not part of this Agreement.

7       13.7   **Severability.** If anything in this Agreement is found by a court of competent  
8 jurisdiction to be unlawful or otherwise unenforceable, the balance of this Agreement remains in  
9 effect, and the parties shall make best efforts to replace the unlawful or unenforceable part of  
10 this Agreement with lawful and enforceable terms intended to accomplish the parties' original  
11 intent.

12       13.8   **Nondiscrimination.** During the performance of this Agreement, the Contractor shall

18       13.9   **No Waiver.** Payment, waiver, or discharge by the SJVIA of any liability or obligation  
19 of the Contractor under this Agreement on any one or more occasions is not a waiver of  
20 performance of any continuing or other obligation of the Contractor and does not prohibit  
21 enforcement by the SJVIA of any obligation on any other occasion.

22       13.10 **Entire Agreement.** This Agreement, including its exhibits, is the entire agreement  
23 between the Contractor and the SJVIA with respect to the subject matter of this Agreement, and  
24 it supersedes all previous negotiations, proposals, commitments, writings, advertisements,  
25 publications, and understandings of any nature unless those things are expressly included in  
26 this Agreement. If there is any inconsistency between the terms of this Agreement without its

1 exhibits and the terms of the exhibits, then the inconsistency will be resolved by giving  
2 precedence first to the terms of this Agreement without its exhibits, and then to the terms of the  
3 exhibits.

4 **13.11 No Third-Party Beneficiaries.** This Agreement does not and is not intended to  
5 create any rights or obligations for any person or entity except for the parties.

6 **13.12 Authorized Signature.** The Contractor represents and warrants to the SJVIA that:

## Exhibit A

### Scope of Mammography Services

1  
2 A. The Contractor shall conduct on-site digital bilateral screening mammography exams  
3 to participants of the SJVIA at various locations and over multiple days for each Participating  
4 Entity. The SJVIA will work with the Contractor to schedule specific dates and times for the  
5 Contractor to provide services.

6 B. The Contractor shall provide all imaging equipment necessary, and all staff necessary  
7 and qualified, to perform mammography screening under this Agreement.

8 C. The Contractor shall identify a contact person to the SJVIA and the relevant  
9 Participating Entity for each screening event. The contact person must be located at the facility  
10 and be able to communicate with the Contractor's contact person regarding all details of the  
11 screening event.

12 D. The Contractor may only schedule mammography services with a Participating Entity  
13 after receiving written approval from the SJVIA Manager, the SJVIA Assistant Manager, or one  
14 of their authorized designees, to ensure that the Participating Entity is able to schedule the  
15 minimum number of exams provided in Exhibit C. Such services should be scheduled by the  
16 Participating Entity at least 60 days in advance of services unless mutually agreed upon by  
17 Participating Entity and CONTRACTOR. Upon receiving SJVIA approval, the Contractor shall  
18 work directly with Participating Entity to schedule actual dates and locations of mammography  
19 services.

20 E. The Contractor shall provide a scheduler website for patients to sign up and schedule  
21 appointments.

22 F. The Contractor shall ensure participants who sign up for services on the scheduler  
23 website meet the eligibility criteria for female employees based on the standard American  
24 College of Radiology (ACR) and American Cancer Society (ACS) for obtaining an annual  
25 screening mammogram, including the following:

- 26 1. The patient must:

## Exhibit A

1 a. Be age 40 years or older or, if age 35 to 39 years, sign an Under 40  
2 Consent Form;

3 b. Not have had a mammogram in the past year;

4 c. Not be pregnant, currently nursing, or have been nursing within the  
5 three months prior to the screening; and

6 d. Be without symptoms of breast cancer.

7 2. Women who have breast implants must be booked for two consecutive  
8 appointments, and given more time, because more views are required for the  
9 mammogram.

10 G. The Contractor shall provide a notice of privacy practices to each participant before  
11 conducting the bilateral screening mammography exam.

12 H. The bilateral screening mammography exam shall result in a written report, including  
13 interpretation, by the radiologist who performed the exam. The report shall be sent to the  
14 participant's designated physician within 14 business days after the day of service. The  
15 Contractor shall provide to each participant either a normal or an abnormal results letter within  
16 21 business days after the day of service. The Contractor shall provide a generic outcome  
17 report that does not contain unique identifiers pursuant to HIPAA, which will be sent to the  
18 SJVIA no later than 14 business days after the last day of service for each Participating Entity.

19 I. The Contractor shall prepare and maintain records of mammography screenings in  
20 accordance with the general standards applicable to such recordkeeping and in compliance with  
21 all applicable federal and State confidentiality and privacy laws. The Contractor shall maintain  
22 such records for at least 10 years after providing the mammography screenings.

## Exhibit B

### SJVIA Responsibilities

1  
2 The SJVIA shall perform or cause its Participating Entities to perform the activities  
3 provided in this Exhibit B.

4 A. A contact person with the Participating Entity will be identified to the Contractor. The  
5 contact person must be located at the facility and be able to communicate with the Contractor's  
6 contact person regarding all details of the screening event.

7 B. Screening events must be scheduled in accordance with the Contractor's availability.  
8 The Contractor must be notified of each scheduled event at least 60 days in advance.

9 C. For each full-day screening event, a 30-minute lunch break must be allowed in the  
10 schedule for the Contractor's employees.

11 D. Screening events must be promoted (for example by email or other media) so that  
12 each Participating Entity is able to pre-schedule the minimum number of patients as provided in  
13 Exhibit C, paragraph D, to this Agreement.

14 E. The Participating Entity will circulate promotional emails and flyers that inform female  
15 employees of the eligibility criteria for screening mammograms based on the standard American  
16 College of Radiology and American Cancer Society for obtaining an annual screening  
17 mammogram, including the following:

18 1. The patient must:

- 19 a. Be age 40 years or older or, if age 35 to 39 years, sign an Under 40  
20 Consent Form;
- 21 b. Not have had a mammogram in the past year;
- 22 c. Not be pregnant, currently nursing, or have been nursing within the  
23 three months prior to the mammogram screening; and
- 24 d. Be without symptoms of breast cancer.
- 25  
26

## Exhibit B

1 F. The Participating Entity will provide Contractor with appropriate space to perform  
2 mammography services, which must be either (a) a reserved conference room within the  
3 Participating Entity's building to serve as the on-site clinic with portable machines, or (b)  
4 adequate parking for the mobile coach.

5 G. Portable Unit Specifications. If the Contractor will be using portable machines to  
6 provide mammography services, the Participating Entity must:

7 1. Clear a Private space with an area of at least 10 feet by 10 feet with proper  
8 working HVAC ventilation for the Mammography unit (which is 2 pieces) with 2 power  
9 outlets (110V);

10 2. Provide space that is compliant with the requirements of the Americans with  
11 Disabilities Act of 1990, including wheelchair accessibility and 32-inch wide doors;

12 3. Provide extra private space and table large enough to accommodate two  
13 chairs next to one power outlet (110V) for the Contractor's Technical Assistant to power  
14 up the Contractor's laptop; and

15 4. Provide private space (minimum 4'x5') for a patient dressing area.

16 H. Coach Specifications. If the Contractor will be using its coach to provide  
17 mammography services, the Participating Entity must provide 10 blocked off and marked  
18 parking spaces for the coach, ideally in a designated area close to the entrance, to make it  
19 convenient for the Participating Entity's mammogram screening patients. These parking spaces  
20 must be outdoor, flat, and uncovered as the mobile coach cannot park within a parking garage  
21 or on an incline.

## Exhibit C

### Compensation

1  
2 The Contractor will be compensated for performance of its services under this  
3 Agreement as provided in this Exhibit C. The Contractor is not entitled to any compensation  
4 except as expressly provided in this Exhibit C.

5 A. Travel fee shall be \$1,000 per day.

6 B. Mammography Services under this Agreement shall be provided to Anthem Blue  
7 Cross and Kaiser Permanente members and will be billed directly to the SJVIA.

8 C. The fee for mammography services, as provided in Exhibit A to this Agreement, is  
9 \$3,875 per day. There is no minimum requirement.

10 D. No deposit is required before the exam dates; however, the Participating Entity must  
11 schedule exam dates with the Contractor at least 60 days in advance.

12 1. Exam dates that are cancelled or rescheduled by the Participating Entity at least  
13 30 days prior to the event shall not incur cancellation charges.

14 2. Exam dates that are cancelled or rescheduled by the Participating Entity within  
15 8-29 days of the event will incur a cancellation charge of 25% of the total fee for the  
16 exam date. If exam dates are rescheduled at least 8 days prior to the event, the 25%  
17 cancellation fee will be waived.

18 3. Exam dates that are cancelled or rescheduled by the Participating Entity within  
19 7 days of the exam date will incur a cancellation charge of 50% of the total fee for the  
20 exam date. If exam dates are rescheduled 7 days or less prior to the event, the 50%  
21 cancellation fee will be waived and the SJVIA will be billed 25% of the total fee to cover  
22 the Contractor's cost to reschedule.

This policy must be issued on a per occurrence basis. The Contractor shall obtain an endorsement to this policy naming the San Joaquin Valley Insurance Authority, its officers, agents, employees, and volunteers, individually and collectively, as additional insureds, but only insofar as the operations under this Agreement are concerned. Such coverage for additional insureds will apply as primary insurance and any other insurance, or self-insurance, maintained by the SJVIA is excess only and not contributing with insurance provided under the Contractor's policy.
- (B) **Automobile Liability.** Automobile liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for property damages. Coverage must include any auto used in connection with this Agreement.
- (C) **Workers Compensation.** Workers compensation insurance as required by the California Labor Code.
- (D) **Professional Liability.** Professional liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence and an annual aggregate of Three Million Dollars (\$3,000,000). If this is a claims-made policy, then (1) the retroactive date must be prior to the date on which services began under this Agreement; (2) the Contractor shall maintain the policy and provide to the SJVIA annual evidence of insurance for not less than five years after completion of services under this Agreement; and (3) if the policy is canceled or not renewed, and not replaced with another claims-made policy with a retroactive date prior to the date on which services begin under this Agreement, then the Contractor shall purchase extended reporting coverage on its claims-made policy for a minimum of five years after completion of services under this Agreement.
- (E) **Cyber Liability.** Cyber liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence. Coverage must include, but not be limited to, claims involving Cyber Risks. The cyber liability policy must be endorsed to cover the full replacement value of damage to, alteration of, loss of, or destruction of intangible property (including but not limited to information or data) that is in the care, custody, or control of the Contractor.

**Definition of Cyber Risks.** "Cyber Risks" include but are not limited to (i) any act or omission that compromises either the security, confidentiality, value, or integrity of any PHI, which may include disclosure of Confidential Information or PHI (collectively, "Personal Information") to an unauthorized third party or any loss or destruction of, or any corruption or damage to, any Personal Information ("Security Breach"); (ii) any act or omission that compromises the physical, technical, administrative, or organizational security procedures and practices put in place by the Contractor that relate to the

#### 2. Additional Requirements

(A) **Verification of Coverage.** Within 30 days after the Contractor signs this Agreement, the Contractor shall deliver, or cause its broker or producer to deliver, to 2220 Tulare St., 14<sup>th</sup> Floor, Fresno, CA 93721, or SJVIA-Admin@fresnocountyca.gov copies of insurance policies as produced by the broker or producer, and certificates of insurance and endorsements for all of the coverages required under this Agreement.

- (i) All insurance certificates must state that: (1) the insurance coverage has been obtained and is in full force; (2) the SJVIA, its officers, agents, employees, and volunteers are not responsible for any premiums on the policy; and (3) the Contractor has waived its right to recover from the SJVIA, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
- (ii) The commercial general liability insurance certificate must also state that: (1) the San Joaquin Valley Insurance Authority, its officers, agents, employees, and volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned; (2) the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the SJVIA shall be excess only and not contributing with insurance provided under the Contractor's policy.
- (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.
- (iv) The professional liability insurance certificate, if it is a claims-made policy, must also state the retroactive date of the policy, which must be prior to the date on which services began under this Agreement.
- (v) The technology professional liability insurance certificate must also state that coverage encompasses all of the Contractor's obligations under this Agreement, including but not limited to claims involving Cyber Risks, as that term is defined in this Agreement.

## Exhibit D

### Insurance

- (vi) The cyber liability insurance certificate must also state that it is endorsed to cover the full replacement value of damage to, alteration of, loss of, or destruction of intangible property (including but not limited to information or data) that is in the care, custody, or control of the Contractor.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of A:VII or greater.
- (C) **Notice of Cancellation or Change.** For each insurance policy required under this Agreement, the Contractor shall provide to the SJVIA, or ensure that the policy requires the insurer to provide to the SJVIA, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the SJVIA not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the SJVIA not less than 30 days in advance of cancellation or change. The SJVIA in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.
- (D) **SJVIA's Entitlement to Greater Coverage.** If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the SJVIA requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer to deliver, to the SJVIA Manager copies of insurance policies that have such broader coverage, higher limits, or both, as produced by the broker or producer, and certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.
- (E) **Waiver of Subrogation.** The Contractor waives its right to recover from the SJVIA, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) **SJVIA's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the SJVIA may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The SJVIA may offset such charges against any amounts owed by the SJVIA to the Contractor under this Agreement.
