ITEM NUMBER: Item 13

SUBJECT: Receive Update on Walking Works! Challenge (I)

REQUEST(S): That the Board receive the update on the 2026 Walking Works! Challenge.

DESCRIPTION:

The Counties of Fresno and Tulare will conduct a joint wellness event titled Walking Works! for one week, from May 11 through May 17, 2026. The event is a friendly inter-County competition in which employees voluntarily participate by tracking daily steps or activity with the goal of one County achieving the highest average steps during the challenge period.

Prior to the COVID-19 pandemic, the Walking Works! Challenge was held annually. Following a six-year hiatus, KeenanWell partnered closely with the wellness teams from both Counties to successfully relaunch the program in 2025. The 2026 challenge continues this collaboration and is designed to promote physical activity, support employee well-being, and encourage healthy lifestyle habits through a low-impact, accessible, and engaging wellness initiative.

Participants may track activity using wearable devices, smartphones, or manual entry through each County's designated wellness platform. Incentives and raffle opportunities are offered to encourage engagement and participation throughout the challenge week.

FISCAL IMPACT/FINANCING:

None.
