## BALLOT DESIGNATIONS

California law provides that candidates for political office can choose to list a ballot designation under their name that tells voters something about themselves. Except under specific circumstances, a ballot designation is limited to 3 words. This is often a current elected office title or description of your principal profession, vocation or occupation. Candidates are not required to use a ballot designation and may opt to leave the space for a designation blank on the ballot.

No title or degree is allowed to appear on the same line on the ballot as candidate's name, either before or after the candidate's name.

E.C. §13106

In order to use a ballot designation, an individual must provide information to support their choice of ballot designation. Further, there are restrictions on what is and isn't allowed.

### SELECTING A BALLOT DESIGNATION

On the Declaration of Candidacy or Nomination Papers you will be given the opportunity to indicate your ballot designation. However, a candidate is not permitted to use a ballot designation until after they complete a Ballot Designation Worksheet. See the Ballot Designation Worksheet at the end of this section.

#### **Ballot Designation Worksheet**

On the Ballot Designation Worksheet, you will need to provide information such as:

- Name and the office which you are seeking election
- Your contact information such as home, business and mailing addresses, telephone numbers, email address, if available, and fax number. Please note that this worksheet will be considered public information
- Your proposed ballot designation
- A statement identifying the factual basis supporting your choice.
- Further information describing this designation, such as:
  - The dates during which the candidate held such position
  - A description of the work he or she performs in the position
  - The name of the candidate's business or employer

- 
- o A statement that the professions, vocations or occupations relied upon to support the proposed ballot designation constitute the primary, main or leading professions, vocations or occupations of the candidate, in accordance with the definition of the term “principal” as set forth at §20714, subdivision (b) of the California Code of Regulations.

The entire form **must be completed**, or it will **not** be accepted and you will not be entitled to a ballot designation. The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with the law. A candidate may also be asked for copies of documentation supporting your choice. The worksheet and the supporting documents will become public record once filed.

E.C. §13107.3, C.C.R. §20711

### **Elections Official Review**

Once the Ballot Designation Worksheet is filed, the Elections Official will review if the chosen ballot designation complies with all provisions of Elections Code §13107 and CCR §20710. A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation.

### **If Ballot Designation is Not Accepted**

If it is found the designation is unacceptable, the Elections Official will notify the candidate by phone, and registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's Ballot Designation Worksheet.

E.C. §13107(c)

Within 3 business days from the date the candidate receives notice by phone, or by registered or certified mail, whichever occurs first, the candidate must come into the office and file a new designation that is acceptable.

E.C. §13107(c)(1)

Note: If the candidate fails to provide a new designation within this 3-day period, no designation will appear after their name on the ballot.

E.C. §13107(c)(2)

No ballot designation can be changed after the final date of filing unless specifically requested by the Elections Official.

E.C. §13107(d)

## GENERAL GUIDELINES FOR ACCEPTABLE BALLOT DESIGNATIONS

There are general guidelines specified by law regarding what can be used as a ballot designation.

### **Elected Office**

Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected, or appointed, in the case of a Superior Court Judge.

NOTE: There shall be no word count limitation applicable to ballot designations submitted for an applicable title of an Elected Office.

### **Using the Word “Incumbent”**

A candidate may use the word “Incumbent” if they are a candidate for the same office which he or she holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or in case of a superior court judge, was appointed to the office.

NOTE: Proposed ballot designations as “incumbent” indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute Elective County or state offices.

C.C.R. §202712

### **If Appointed To an Elective Office**

The phrase “appointed” must be used if the candidate:

- Wishes to use the word “incumbent” and they hold an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to that same office.
- Or is a candidate to some other office, and they wish to use the title of the current office they hold by virtue of appointment.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the word “appointed” shall not be required of a candidate who seeks re-election to an office which he or she was appointed, as a nominated candidate, in lieu of an election.

### Only 3 Words Allowed

No more than 3 words designating the current principal professions, vocations, or occupations of the candidate. For purposes of this section, all California geographical names shall be considered to be one word.

The following rules shall govern the application of the three-word limitation:

- The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.
- Punctuation shall be limited to the use of:
  - A comma – A comma is followed by a modifier of the word prior.  
Example: District Attorney, Los Angeles County
  - A slash – A slash is used to separate two distinct designations  
Example: Legislator/Rancher/Physician
  - A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.  
Examples of acceptable hyphenated words: sugar-free, user-generated, ice-skate (verb)
- Using “Councilmember” (one word) vs. “Council Member” (two words) will depend on how the word is used by the governing body of the office for which the candidate is seeking election.
- All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states.

The names of special districts and political subdivisions are not “geographical names”. If the candidate desires, the geographical name may be used in the form of “City of....,” “County of ....,” or “City and County of .....

Examples of geographical names considered to be one word include:

- Fresno County
- City of Clovis
- County of Fresno

Examples of designations containing a special district or political subdivision that are not geographical names include:

- Butte County Rural Fire District Captain
  - Huntington Beach Unified School District President
  - South Bay Irrigation District Director
- An acronym shall be counted as one word.
  - A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so, but that the total ballot designation shall be limited to no more than three words.

Examples of acceptable designations under this section include:

- State Senator/Rancher
- California Assemblywoman/Attorney
- County Supervisor/Teacher

Examples of unacceptable designations under this section include:

- Assemblyman, 57th District/Educator

- “Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:
    - A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
    - A governmental agency; or
    - An educational institution.

The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate.

## GENERAL DEFINITIONS

### **Incumbent**

The term “incumbent” must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjective or modifiers, and must stand alone (except when using “Appointed Incumbent”, see page 63).

The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal in character, does not meet the requirements of the statute.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if the candidate has maintained his or her license current as of the date, and the status of the candidate’s license is active at the time he or she filed his or her nomination documents.

## GENERAL GUIDELINES FOR UNACCEPTABLE BALLOT DESIGNATIONS

The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(4) It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

## CANDIDATE STATEMENT

A Candidate Statement is information, provided by the candidate concerning his or her education and qualifications. This is optional for the candidate. If provided, it will be printed in the Voter's Pamphlet section of the Fresno County Voter Information Guide. If a candidate chooses not to file a statement, they must sign a declaration stating this.

Any candidate for local nonpartisan office may submit a Candidate Statement to be printed in the Voter Information Pamphlet portion of the Fresno County Sample Ballot. U.S. Representative candidates, and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specified dollar limits may submit a Candidate Statement.

A Candidate Statement with payment is due at the time Nomination Signatures are filed. If no nomination signatures are required, it is due by the close of candidate filing.

## GENERAL PROCEDURE

If a candidate wishes to submit a candidate statement, they must adhere to the following procedure:

### **1. Provide a USB Flash Drive or a CD to the County Clerk/Registrar of Voters**

A candidate statement must be provided by the candidate to our office by either USB Flash Drive or a CD in Microsoft WORD format. Hand written Statements will not be accepted.

**Note: USB Flash drives or CDs will not be returned to candidates.**

### **2. Counting Words**

Once the candidate is in the office and ready to file the candidate statement, the County Clerk/Registrar of Voters will print out a copy of the document received. They will then perform a word count (see the "Word Count" section in the guide). If the word count is above the maximum allowed, the statement will not be accepted as filed. The maximum allowed for US Representative candidates and State office candidates who choose to keep their campaign spending under a specified limit, is 250 words. All other candidates have a limit of 200 words.

E.C. §§13307(a), 13307.5, G.C. §85601

### **3. Pay the Cost Estimate**

If the candidate statement submitted is below or meets the maximum word count, the candidate must pay the cost estimate at the time the candidate statement is submitted.

Candidate statements are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment after the election when actual costs are known. In the event of underpayment, candidates may be required to pay the balance of the cost incurred by the County, billed after the election. In the event of overpayment, Fresno County shall prorate the excess amount among the candidates for each race and refund the excess amount paid within 30 days of the election.

Estimated costs for candidate statements are based on the total costs of printing, handling, translating and mailing the candidate statement, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidate statements in English and Spanish. Each candidate filing a statement is required to pay their pro rata share as a condition of having the statement included in the County Voter Information Guide.

### **4. Sign Declaration and File the Candidate Statement**

Once the estimated cost is paid, the Elections Official will accept the statement for filing. When filing, the candidate must sign a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.

Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required, no later than the 88th day prior to the election.

Please proofread your statement. The statement will be printed exactly as the copy provided on the USB Flash Drive or CD. This office will not correct any misspellings or errors in grammar or punctuation. After filing by the deadline, the statement can be withdrawn, but not changed. The last day to withdraw a candidate statement is the first business day after the close of filing.

## GENERAL FORMAT

Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. NOTE: The County Clerk/Registrar of Voters may need to make adjustments to the candidate statement for space requirements in the sample ballot. The statement may include the candidate's age, occupation, and a brief description of the candidate's education and qualifications.

### **Header**

In the header of the statement a candidate must state their name, and optionally may place their age and occupation. This is not included in the word count. Occupation is not restricted by ballot designation limitations; however, may not exceed 7 words in length.

### **Description of Education, Qualifications, and Personal Background**

The body of the candidate statement is a description of the candidate's education, personal background and qualifications. This section is limited by the word count (see below).

Statements must be written in the first person. For example:

- "I am running..."
- "I went to....."
- "I believe...."

The statement cannot be written in 3rd person, quote other persons, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. . For example:

- "She is running..."
- "Jane Doe is running..."
- "My opponent is....."

### **Formatting Not Permitted**

- Extra indentations

SAMPLE CANDIDATE STATEMENT

Shown below is a sample of a Candidate's Statement form. The upper portion stating the contest, name, age, and occupation is not included in the word count. The statement shown below has been typed, in upper and lower case, indented paragraph form.

Printed Candidate's Statement ▶ This example illustrates the candidate's statement as it will be printed in the County Voter Information Guide. All statements are printed in "indented paragraph" style.

\* Occupation and Age are optional.

CITY COUNCIL DISTRICT	
Candidate's Name	Age: 32*
Occupation: Businesswoman*	
<p>Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.</p> <p>I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that complement our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.</p>	

## PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

*As found in Chapter 5 of Division 20 of the California Elections Code*

### ARTICLE 1. General Intent

**20400.** The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

### ARTICLE 2. Definitions

**20420.** As used in this chapter, “Code” means the Code of Fair Campaign Practices.

### ARTICLE 3. Code of Fair Campaign Practices

**20440.** At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows:

## CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

**E.C. §20442.** The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

**E.C. §20443.** Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

## CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

**BE INFORMED:** The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements are highlighted here:

- All candidates, even unopposed candidates, are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, you must disclose the contributor's name, address, occupation, and employer. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.

- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed within 10 days.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your **personal funds**.

- B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.

A completed Statement of Responsibility must be submitted to:

Division of Traffic Operations

## PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' name shall be placed on the ballot is specified in Elections Code §§13111 and 13112. Election Code §13109 specifies the order of precedence of offices on the ballot.

### Random Alphabet Drawing

At 11:00 a.m. on the 82<sup>nd</sup> day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code §13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

### Rotation of names on the ballot

- **Candidates for Statewide Offices:** Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.
- **Candidates for Congress:** Candidates are placed on the ballot in the random order in the lowest numbered State Assembly District within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.
- **Candidates for Countywide Offices:** Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.
- **Candidates for State Senate and Member of the Assembly in Districts that cross county lines:** Candidates are placed on the ballot in a random order drawn by the County Clerk/Registrar of Voters within each County.
- **Candidates for other offices:** Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.
