ANSWERS

1. Will the City Attorney's Office offer legal advice on campaign issues?

The City Attorney's Office does not provide legal advice to candidates concerning state or federal law, but may offer clarifications of applicable City election laws.

Candidates should retain their own advisors for compliance with state laws, such as the Political Reform Act (PRA), and federal laws concerning tax exempt entities and committees, among others. The City Attorney's Office is pleased to work with candidates and their advisors to help ensure compliance with City laws. All discussions will be on a neutral, objective basis, not confidential, and if the discussion results in analysis of an issue not previously covered, it is likely the City Attorney's Office will publish the response so all can be similarly informed. The City Attorney's Office will not discuss policy or potential policy changes with candidates. Once a candidate has been elected, the City Attorney's Office will be pleased to meet with the elected candidates to discuss City organizational structure and legal issues.

2. What are the sources of local laws concerning City elections?

Sources of local election laws include the City of Fresno Charter (Charter), the Fresno Municipal Code (FMC), and Council resolutions and ordinances. Candidates must be familiar with the provisions of all sources of applicable laws, which are available on the City's website or from the City Clerk's Office or the City Attorney's Office. Here is a summary list:

- A. Charter Article III**
- B. Charter Article VIII**
- C. Charter Article XIV**

3. What are the primary local legal issues to be aware of when running for a City office?

- A. Residency requirements for Mayor and Councilmembers
- B. Fee and/or signature gathering requirements for nomination paperwork
- C. Fundraising time window to solicit and accept contributions (see update below)
- D. Contribution dollar limits per donor per election
- E. Campaign loan restrictions
- F. Contribution transfer restrictions
- G. Restrictions on use of public resources or authority for campaigns
- H. Election sign rules

4. What are the City's residency requirements for elective offices?

To be eligible to hold City elective office, a person must have been a resident of the City for at least thirty days immediately preceding the filing of the nomination papers for that office. (Charter, § 304.) To be eligible to hold office as a Councilmember, a person must have been a resident of the Council District for which he or she is seeking office, for at least the same time period. (Charter, § 304.1.)

To ensure compliance with the thirty day residency requirement for candidates seeking a Council office, the Council Residency Act (Act) was enacted in 2011 and has been amended various times to address concerns and clarify requirements. (See City of Fresno Resolution No. 2017-282.) The Act requires candidates to file specific documents with the City Clerk to verify residency in the district, including proof of voter registration, a residential deed or evidence of a lease, motor vehicle registration, a PG&E or City utility bill, and an affidavit of residency. In addition, the Act specifies a process for verification of Councilmember residency while serving in office.

5. What are the fee and alternative signature requirements to file nomination papers?

Candidate filing fees and alternative signature requirements are set by FMC Sections 2-1003 through 2-1006. Current filing fees are \$300 for Councilmember candidates and \$500 for Mayoral candidates. (See Master Fee Schedule.) In lieu of the filing fee, a candidate may gather signatures on a form to be provided by the City Clerk or County Clerk under contract to provide election services. Council candidates must submit 250

Page 4

signatures from registered voters within the applicable Council district boundary. Mayor candidates must submit 500 signatures from voters registered within the City.

6. Are candidates limited to a specific window of time for fundraising?

No. Following the U.S. Fifth Circuit's decision in *Zimmerman v. City of Austin, Texas* (5th Cir. 2019) 881 F.3d 378 (holding fundraising time limits violate the First Amendment); the City does not enforce campaigning windows.

Note that Charter Section 309 limits campaign solicitations and contributions to a time window of the election filing date through the end of the calendar year in which the election is held. However, in light of the holding in *Zimmerman* the City the temporal provision of Charter Section 309 will not be enforced unless and until a court having jurisdiction over the City holds to the contrary or the *Zimmerman* holding is reversed or overruled. This does not affect the campaign contribution dollar limits, but only pertains to the time limits for contribution solicitations and payments.

7. What is the maximum contribution amount allowed by the City's Local Campaign Contribution Limits Ordinance (the Ordinance)?

Under the Ordinance a "person" may contribute up to \$4,700 per election, and a "small contributor committee" (as defined in Government Code Section 85203) may contribute up to \$9,300 per election. (FMC, §§ 2-1101, et seq.) The contribution limits apply to each election taking place during the period January 1, 2019, through December 31, 2020, without regard to when contributions are made. The word "election" refers to any direct primary election, general municipal election, or special municipal election, held pursuant to Charter Sections 1400 and 1401, or other applicable laws. The contribution limits for candidates for City elective office are the same as for candidates for State Assembly under the PRA. The contribution limits are adjusted every odd numbered year by the Fair Political Practices Commission (FPPC), in accordance with the Consumer Price Index.

8. May a person or small contributor committee contribute the maximum amount permitted by the Ordinance to a candidate in the direct primary election, and then, if a run-off is needed, contribute the maximum amount to the same candidate in the run-off election?

Yes. Since the maximum contribution amount is established per election, a committee may contribute up to the maximum amount permitted to a candidate in the direct primary election, and make the same contribution amount to the same candidate for the general municipal election. If a candidate is not on the ballot in a run-off election, he or she may only receive the maximum amount permitted for the direct primary election.

9. If a corporation has three principals and each principal may direct and control the contribution of the corporation, can each principal make a separate \$4,700 contribution to a candidate on behalf of the corporation?

No. Pursuant to FMC Section 2-1105(a), the contribution limit for a "person" is \$4,700 to a candidate per election. A corporation is a "person" for purposes of the contribution limits. Thus, the corporation through its principals, acting independently or in concert, may only contribute \$4,700 to the candidate. In addition, pursuant to FMC Section 2-1107, a contribution made by the corporation at the direction and control of a particular

principal will be aggregated with any other contribution made by that principal to the same candidate in the same election.

10. What should a candidate do if he or she receives a contribution in excess of the contribution limit?

Under the Ordinance, the candidate or the candidate's controlled committee shall return any amount in excess of the contribution limit to the contributor within fourteen days of receipt. The excess contribution and the date of its return shall be reported on a form prepared or provided by the City Clerk.

11. Are candidates' personal funds used for campaign purposes subject to local campaign contribution limits?

No. The Ordinance does not apply to a candidate's contributions of his or her personal funds to his or her own campaign. However, personal loans from a candidate to his or her own campaign are subject to the provisions described below.

12. Is a loan to a candidate from himself or herself, used for campaign purposes, subject to local campaign contribution limits?

No. The Ordinance's contribution limits do not apply to loans made by a candidate to his or her own campaign. However, a candidate for elective office may not personally lend to his or her campaign an amount, the outstanding balance of which exceeds \$100,000. Furthermore, a candidate may not charge interest on any loan he or she makes to his or her campaign. (FMC, § 2-1106(b).)

13. Is a loan to a candidate from a third party, used for campaign purposes, subject to local campaign contribution limits?

Yes, unless the loan is received by the candidate from a commercial lending institution in the ordinary course of business on terms available to the general public, and for which the candidate is personally liable. All other loans are subject to local campaign contribution limits. (FMC, § 2-1106(a).)

14. May a candidate transfer funds from one campaign account to a different campaign account of the same candidate?

Yes. Candidates are permitted to transfer funds raised in a prior election for City office or legally accepted in connection with another office that is not a City office, into a campaign account for a City elective office. Transfers that include contributions from prior campaigns that were not City campaigns shall be subject to contribution limits set forth in the Charter and FMC.

15. May a state or local elected official (or defeated candidate) transfer unexpended campaign funds to a candidate for City office? If so, what are the limitations?

Yes, provided the unexpended funds are not "surplus" campaign funds, which may not be transferred to another candidate under state law, and that the transfer complies with local elections laws.

"Surplus" funds are unexpended campaign funds which remain under the control of a candidate upon the ninetieth day after leaving elective office, or the ninetieth day following the end of the postelection reporting period following the defeat of a candidate

for office, whichever occurs last. (Gov. Code, § 89519(a).) “Surplus” funds may only be used for certain purposes which do not include transfers to another candidate.

Based on the City of Fresno’s election laws, the transfer of unexpended campaign funds (which are not surplus funds) is limited to \$4,700 per contributor per election. (FMC, §§ 2-1105(a), 2-1108.) To transfer campaign funds, the candidate must track what funds from particular contributors have been spent or transferred previously, and then account for transfers per contributor per election within the contribution limits. For example, if Donor 1 contributed \$4,700 to Candidate A for the 2020 election, and Candidate A desires to transfer those funds to Candidate B, then Candidate B may not accept any further contribution for that election from Donor 1. Contributions are considered spent on a “first in first out” basis, so the timing and sequence of prior contributions and expenditures must be tracked. The City Attorney’s Office may assist in clarifying these issues.

The foregoing limitations do not apply to independent expenditures, which are governed by Government Code Section 85500, et seq.

16. What restrictions apply to the use of public resources and authority for an election?

No officer or employee of the City and no candidate for any City office shall, directly or indirectly, solicit any assessment, subscription, or contribution, whether voluntary or involuntary, for any political purpose whatsoever, from anyone on the eligible lists or holding any position in the Administrative Service. (Charter, § 813.)

Telephone calls, faxes, and personal contacts for political purposes during business hours at City Hall or during an employee’s or officer’s hours of duty on City premises are prohibited. (Gov. Code, § 8314.) Additionally, use of City distribution channels (City mailboxes, e-mail, etc.) may not be used for campaign activities. (*San Leandro Teachers Assn. v. Governing Bd. of San Leandro Unified School Dist.* (2009) 46 Cal.4th 822, 845.)

The local provisions are consistent with Government Code Sections 3201 through 3209, which, among other things, prohibit public employees from engaging in the following types of activities:

- A. Use public funds to “take sides” to influence a measure that has qualified for the ballot.
- B. Distribute campaign literature through the City’s mail system.
- C. Send or receive campaign related e-mails on City computers or other electronic devices.
- D. Place campaign literature on the City’s web page or City premises.
- E. Create a link from the City website to a website containing campaign materials.
- F. Use City copy machines, telephones, fax machines, computers, stationary, or other City resources for campaign purposes.
- G. Direct City staff to walk precincts, draft campaign ads, or carry out other campaign related tasks during compensated work hours.

- H. Urge City employees to vote for a candidate or ballot measure during compensated work hours.
- I. Participate in political activities while in uniform displaying a City logo or references.
- J. Use public funds to attend a political fundraiser.
- K. Directly or indirectly solicit campaign contributions from other City officials or employees, unless the solicitation is part of a general effort that incidentally includes local officials and employees.
- L. Solicit, receive, or agree to receive a benefit in exchange for any official actions (bribery or extortion).
- M. Request a donation to any campaign in exchange for any City action.

17. What types of activities may the City fund using public resources?

The following are permitted uses of public resources:

- A. Use public funds to develop a measure for the ballot to present to Council for legislative action.
- B. Use public funds to prepare and disseminate an accurate, fair, and impartial analysis of a measure that has qualified for the ballot.
- C. Use public funds to lobby the state legislature to aid or prevent passage of state legislation that will affect the City as directed by Council.
- D. Have Council adopt a resolution to support or oppose a ballot measure at an open meeting that does not expressly advocate the passage or defeat of the ballot measure.

18. What types of activities may City officials and employees engage in during a campaign?

City officials and employees may do all of the following with regard to ongoing campaigns:

- A. Take a position or work on a campaign on personal time.
- B. Make campaign contributions to a candidate or local ballot measure with personal funds.
- C. Attend a campaign fundraiser at one's own personal expense during personal time.
- D. Make public appearances on personal time to advocate a ballot measure or candidate.
- E. Participate in campaign activities at City facilities that are open and available for expression of all political viewpoints, such as sidewalks, parks, and areas in front of City Hall on personal time.

19. What rules apply to campaign political signs?

Political signs are regulated as "yard signs" (without regard to content) under the City's Development Code (FMC, Chapter 15) that became effective in January 2016. There is

City of Fresno Election Laws Frequently Asked Questions

May 22, 2019

Page 8

no application, permit, or fee requirement for yard signs. The former restrictions on political signs being allowed only between ninety days prior to an election and fifteen days after an election no longer exist. Candidates may place signs in any of the Council districts. However, the City does impose time, place, and manner restrictions on yard signs. FMC Section 15-2611 provides that yard signs:

- A. May not exceed thirty-two square feet in area;
- B. May not exceed eight feet in height or width, including support structures;
- C. May not be attached to utility poles;
- D. May not be placed on any public right of way or any property owned by the City;
- E. May be placed on private property with the permission of the property owner or on existing signs on private property with the permission of the sign owner or lessee; and
- F. May not be erected in a manner so that it will or reasonably may be expected to interfere with, obstruct, confuse, or mislead traffic.

Signs not erected or maintained in accordance with these provisions shall be the responsibility of the owner of the property on which the sign is located, shall be deemed a public nuisance, and may be abated by the property owner, the candidate or person advocating the vote described on the sign (if applicable), or the City. The cost of removal incurred by the City shall be assessed against the property owner and/or, if applicable, the candidate and/or person advocating the vote described on the sign.

20. May political signs be placed on the sides or tops of buildings?

There is currently nothing in the Development Code that specifically addresses yard signs on the sides or tops of buildings. However, the Code provides that yard signs are lightweight materials supported by poles, stakes or wireframes; which entails placement of yard signs in the ground, and not on buildings. Signs that are attached to buildings are subject to additional requirements related to size, material, and sight lines, and require a permit from the Planning Director.

In the event of ambiguity FMC 15-203 states the Planning Director, upon consultation with the City Attorney's office, shall make the interpretation for any definition not expressly identified in the Development Code, or provide clarification and interpretation of the Development Code.

TOP TWO CANDIDATES OPEN PRIMARY ACT AND VOTER-NOMINATED OFFICES

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices. Only the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election.

Additionally, there is no independent nomination process for a general election. California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Party-Nominated/Partisan Offices

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A candidate so nominated will then represent that party as its official candidate for the office in question at the ensuing general election and the ballot will reflect an official designation to that effect. The top votegetter for each party at the primary election is entitled to participate in the general election. Parties may elect officers of official party committees at a partisan primary.

No voter may vote in the primary election of any political party other than the party he or she has disclosed a preference for upon registering to vote. However, a political party may authorize a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Under the California constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two votegetters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest votegetters at the primary election.

Nonpartisan Offices

Under the California Constitution, political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate nominated for a nonpartisan office at the primary election is not the official nominee of any party for the office in question at the ensuing general election. A candidate for nomination or election to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the primary and general election ballot. The top two votegetters at the primary election advance to the general election for the nonpartisan office.

BALLOT DESIGNATIONS

California law provides that candidates for political office can choose to list a ballot designation under their name that tells voters something about themselves. Except under specific circumstances, a ballot designation is limited to 3 words. This is often a current elected office title or description of your principal profession, vocation or occupation. Candidates are not required to use a ballot designation and may opt to leave the space for a designation blank on the ballot.

No title or degree is allowed to appear on the same line on the ballot as candidate's name, either before or after the candidate's name.

E.C. §13106

In order to use a ballot designation, an individual must provide information to support their choice of ballot designation. Further, there are restrictions on what is and isn't allowed.

SELECTING A BALLOT DESIGNATION

On the Declaration of Candidacy or Nomination Papers you will be given the opportunity to indicate your ballot designation. However, a candidate is not permitted to use a ballot designation until after they complete a Ballot Designation Worksheet. See the Ballot Designation Worksheet at the end of this section.

Ballot Designation Worksheet

On the Ballot Designation Worksheet, you will need to provide information such as:

- Name and the office which you are seeking election
- Your contact information such as home, business and mailing addresses, telephone numbers, email address, if available, and fax number. Please note that this worksheet will be considered public information
- Your proposed ballot designation
- A statement identifying the factual basis supporting your choice.
- Further information describing this designation, such as:
 - The dates during which the candidate held such position
 - A description of the work he or she performs in the position
 - The name of the candidate's business or employer

- A statement that the professions, vocations or occupations relied upon to support the proposed ballot designation constitute the primary, main or leading professions, vocations or occupations of the candidate, in accordance with the definition of the term "principal" as set forth at §20714, subdivision (b) of the California Code of Regulations.

The entire form **must be completed**, or it will **not** be accepted and you will not be entitled to a ballot designation. The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with the law. A candidate may also be asked for copies of documentation supporting your choice. The worksheet and the supporting documents will become public record once filed.

E.C. §13107.3, C.C.R. §20711

Elections Official Review

Once the Ballot Designation Worksheet is filed, the Elections Official will review if the chosen ballot designation complies with all provisions of Elections Code §13107 and CCR §20710. A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation.

If Ballot Designation is Not Accepted

If it is found the designation is unacceptable, the Elections Official will notify the candidate by phone, and registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's Ballot Designation Worksheet.

E.C. §13107(c)

Within 3 business days from the date the candidate receives notice by phone, or by registered or certified mail, whichever occurs first, the candidate must come into the office and file a new designation that is acceptable.

E.C. §13107(c)(1)

Note: If the candidate fails to provide a new designation within this 3-day period, no designation will appear after their name on the ballot.

E.C. §13107(c)(2)

No ballot designation can be changed after the final date of filing unless specifically requested by the Elections Official.

E.C. §13107(d)

GENERAL GUIDELINES FOR ACCEPTABLE BALLOT DESIGNATIONS

There are general guidelines specified by law regarding what can be used as a ballot designation.

Elected Office

Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected, or appointed, in the case of a Superior Court Judge.

NOTE: There shall be no word count limitation applicable to ballot designations submitted for an applicable title of an Elected Office.

Using the Word “Incumbent”

A candidate may use the word “Incumbent” if they are a candidate for the same office which he or she holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or in case of a superior court judge, was appointed to the office.

NOTE: Proposed ballot designations as “incumbent” indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute Elective County or state offices.

C.C.R. §202712

If Appointed To an Elective Office

The phrase “appointed” must be used if the candidate:

- Wishes to use the word “incumbent” and they hold an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to that same office.
- Or is a candidate to some other office, and they wish to use the title of the current office they hold by virtue of appointment.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the word “appointed” shall not be required of a candidate who seeks re-election to an office which he or she was appointed, as a nominated candidate, in lieu of an election.

Only 3 Words Allowed

No more than 3 words designating the current principal professions, vocations, or occupations of the candidate. For purposes of this section, all California geographical names shall be considered to be one word.

The following rules shall govern the application of the three-word limitation:

- The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.
- Punctuation shall be limited to the use of:
 - A comma – A comma is followed by a modifier of the word prior.
Example: District Attorney, Los Angeles County
 - A slash – A slash is used to separate two distinct designations
Example: Legislator/Rancher/Physician
 - A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.
Examples of acceptable hyphenated words: sugar-free, user-generated, ice-skate (verb)
- Using “Councilmember” (one word) vs. “Council Member” (two words) will depend on how the word is used by the governing body of the office for which the candidate is seeking election.
- All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states.

The names of special districts and political subdivisions are not “geographical names”. If the candidate desires, the geographical name may be used in the form of “City of....,” “County of,” or “City and County of”

Examples of geographical names considered to be one word include:

- Fresno County
- City of Clovis
- County of Fresno

Examples of designations containing a special district or political subdivision that are not geographical names include:

- Butte County Rural Fire District Captain
- Huntington Beach Unified School District President
- South Bay Irrigation District Director

- An acronym shall be counted as one word.
- A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so, but that the total ballot designation shall be limited to no more than three words.

Examples of acceptable designations under this section include:

- State Senator/Rancher
- California Assemblywoman/Attorney
- County Supervisor/Teacher

Examples of unacceptable designations under this section include:

- Assemblyman, 57th District/Educator
- California State Senator/Architect
- Fresno County Supervisor/Business Owner

- “Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:
 - A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
 - A governmental agency; or
 - An educational institution.

The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate.

GENERAL DEFINITIONS

Incumbent

The term “incumbent” must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjective or modifiers, and must stand alone (except when using “Appointed Incumbent”, see page 38).

Profession

This means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accounting, and journalism.

Examples of an acceptable designation of a “profession,” include:

- Attorney
- Physician
- Accountant
- Architect
- Teacher

Vocation

This means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time.

This means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate.

In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of one which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal in character, does not meet the requirements of the statute.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if the candidate has maintained his or her license current as of the date, and the status of the candidate's license is active at the time he or she filed his or her nomination documents.

GENERAL GUIDELINES FOR UNACCEPTABLE BALLOT DESIGNATIONS

The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations:

Avocations

An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation.

Avocations categories which are unacceptable may include:

- Hobbies

Pro Forma Professions, Vocations and Occupations

Examples of an improper use of commercial identification information include:

- Acme Company President
- Universal Widget Inventor

Limitations on the Use of Words Designating a Former Position

A word or prefix, such as “former” or “ex” which means a prior status is not allowed.

The only exception is the use of the word “retired.” However, the use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

The word “Retired” cannot be abbreviated or placed following any word or words that it modifies.

CANDIDATE STATEMENT

A Candidate Statement is information, provided by the candidate, concerning his or her education and qualifications. This is optional for the candidate. If provided, it will be printed in the Voter's Pamphlet section of the Fresno County Voter Information Guide. If a candidate chooses not to file a statement, they must sign a declaration stating this.

Any candidate for local nonpartisan office may submit a Candidate Statement to be printed in the Voter's Pamphlet portion of the Fresno County Voter Information Guide. U.S. Representative candidates and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specific dollar limits may submit a Candidate Statement.

A Candidate Statement with payment is due at the time Nomination Signatures are filed. If no nomination signatures are required, it is due by the close of candidate filing.

GENERAL PROCEDURE

If a candidate wishes to submit a candidate statement, they must adhere to the following procedure:

1. Provide an electronic copy of the statement to the County Clerk/Registrar of Voters

A candidate statement must be provided electronically by the candidate to our office prior to the candidate filing their Nomination Signatures. This should be done by EMAIL, sending the document to clerk-elections@fresnocountyca.gov. The candidate statement should be in Microsoft WORD format. Hand written statements or hand written edits to statements will not be accepted.

2. Counting Words

Once the candidate is in the office and ready to file the candidate statement, the County Clerk/Registrar of Voters will print out a copy of the document received. They will then perform a word count (see the "Word Count" section in the guide). If the word count is above the maximum allowed, the statement will not be accepted as filed. The maximum allowed for U.S. Representative candidates and State Office candidates who choose to keep their campaign spending under a specified limit, is 250 words. All other candidates have limit of 200 words.

3. Pay the Cost Estimate

If the candidate statement submitted is below or meets the maximum word count, the candidate must pay the cost estimate at the time the candidate statement is submitted.

Candidate statements are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment after the election when actual costs are known. In the event of underpayment, candidates may be required to pay the balance of the cost incurred by the County, billed after the election. In the event of overpayment, Fresno County shall prorate the excess amount among the candidates for each race and refund the excess amount paid within 30 days of the election.

Estimated costs for candidate statements are based on the total costs of printing, handling, translating and mailing the candidate statement, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidate statements in English and Spanish. Each candidate filing a statement is required to pay their pro rata share as a condition of having the statement included in the County Voter Information Guide.

4. Sign Declaration and File the Candidate Statement

Once the estimated cost is paid, the Elections Official will accept the statement for filing. When filing, the candidate must sign a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.

Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required, no later than the 88th day prior to the election.

Candidates are responsible for proof reading their own statement. The statement will be printed exactly as provided electronically. This office will not correct any misspellings or errors in grammar or punctuation. After filing, the statement can be withdrawn, but not changed. The last day to withdraw a candidate statement is the first business day after the close of filing.

GENERAL FORMAT

Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. NOTE: The County Clerk/Registrar of Voters may need to make adjustments to the candidate statement for space requirements in the county voter information guide. The statement may include the candidate's age, occupation, and a brief description of the candidate's education and qualifications.

Header

In the header of the statement a candidate must state their name, and optionally may place their age and occupation. This is not included in the word count. Occupation is not restricted by ballot designation limitations; however, may not exceed 7 words in length.

Description of Education, Qualifications, and Personal Background

The body of the candidate statement is a description of the candidate's education, personal background and qualifications. This section is limited by the word count (see below).

Statements must be written in the first person. For example:

- "I am running..."
- "I went to....."
- "I believe...."

The statement cannot be written in 3rd person, quote other persons, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. . For example:

- "She is running..."
- "Jane Doe is running..."
- "My opponent is....."

CITY COUNCIL DISTRICT

Candidate's Name
Occupation: Businesswoman*

Age: 32*

Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.

I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that complement our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

As found in Chapter 5 of Division 20 of the California Elections Code

ARTICLE 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

ARTICLE 2. Definitions

20420. As used in this chapter, "Code" means the Code of Fair Campaign Practices.

ARTICLE 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

Date	Signature
------	-----------

E.C. §20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

E.C. §20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

E.C. §20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

E.C. §20444. In no event shall a candidate for public office be required to subscribe to or endorse the code.

CAMPAIGN DISCLOSURE REQUIREMENTS

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure and petition circulation committees, to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of the candidate and or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. **Government Code §91013 provides for a late filing fine of \$10 per day for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.**

On January 31, 2017, Fresno County Board of Supervisors adopted an ordinance approving the electronic filing of campaign disclosure statements. Elected officers, candidates, committees and controlled committees required to file campaign statements with the County pursuant to state law who have received contributions or made expenditures of \$5,000 or more in a calendar year shall file their campaign statements using the Registrar of Voter's online filing system. All other filers may elect to file their campaign statements electronically or in paper format. For further information contact your local filing officer at (559) 600-3044.

Section 82024, shall file with the Secretary of State an original statement, signed under penalty of perjury, of intention to be a candidate for a specific office.

An individual who intends to be a candidate for any other elective office shall file the statement of intention with the same filing officer and in the same location as the individual would file an original campaign statement pursuant to subdivisions (b), (c), and (d) of Section 84215.

For purposes of this section, “contribution” and “loan” do not include any payments from the candidate’s personal funds for a candidate filing fee or a candidate statement of qualifications fee.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements are highlighted here:

- All candidates, even unopposed candidates, are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, you must disclose the contributor's name, address, occupation, and employer. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.

- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed within 10 days.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your **personal funds**.

PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' name shall be placed on the ballot is specified in Elections Code §§13111 and 13112. Election Code §13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code §13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

Rotation of names on the ballot

- **Candidates for Statewide Offices:** Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.
- **Candidates for Congress:** Candidates are placed on the ballot in the random order in the lowest numbered State Assembly District within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.
- **Candidates for Countywide Offices:** Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.
- **Candidates for State Senate and Member of the Assembly in Districts that cross county lines:** Candidates are placed on the ballot in a random order drawn by the County Clerk/Registrar of Voters within each County.
- **Candidates for other offices:** Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.

GUIDELINES FOR FILING ARGUMENTS AND REBUTTAL ARGUMENTS

- All arguments with a statement required under Elections Code § 9600 (Please see the “STATEMENT TO ACCOMPANY ALL ARGUMENTS FILED” sample below) must be filed with the office by 5:00 p.m. on the last day set for arguments. - All arguments are printed as filed. The County Clerk is not responsible for correcting spelling, grammar or punctuation.
- Only one argument for and one argument against each measure will be printed. If more than one is filed, the County Clerk will choose the arguments to be printed on the ballot based on the order of preference as stated in the Elections Code.
- No more than 5 signatures shall appear with any argument submitted.

REBUTTAL ARGUMENTS

- Rebuttal arguments are limited to 250 words. Rebuttal arguments must be filed with the County Clerk/Registrar of Voters by 5:00 p.m. no later than a date designated by the elections official.
